HONOLULU, November 27, 1925.

Sir Arthur W. Currie, G.C.M.G.,  
Principal and Vice-Chancellor,  
McGill University,  
Montreal, Canada.

My dear Sir Arthur:

I wish to thank you for yours of October 9th and do hope something may happen to bring you to the League of Nations Conference in Honolulu in 1927.

I am writing as you suggest, to Sir Robert Borden, who is an old acquaintance of mine, and has given me help in times past. When prime minister he was honorary president of the Pan-Pacific Union.

We have been taking up the matter of the Canadian Bar Association through Mr. Lucas, who has been giving us a great deal of help. I am sending you the latest bulletin of the Pan-Pacific Union concerning the organization of the Pan-Pacific Research Institution, and the findings of the Pan-Pacific Fishery Conference under the chairmanship of Dr. David Starr Jordan. Should you care to have it, I shall be glad to have the bulletin sent you regularly.

I am also sending you a copy of the Mid-Pacific Magazine with Mr. Lucas's photograph on the cover.

With best regards, I am,

Very truly yours,

*A. H. Ford*  
Director,  
PAN PACIFIC UNION
