

Beacon Light.—Within Partridge Island, and upon a Spit or bar, which extends about half a mile S. S. E. off Sand Point, and which dries at two-thirds ebb, stands the Beacon Tower. Upon this Tower a light is established, which is eminently useful to the coasting trade of Saint John, and to all other vessels having pilots on board, as it enables them to enter the harbour at all hours of the night. A fixed *white* light. The House is white and black, in stripes vertically.

Quaco.—A revolving *white* light is placed on a small rock off Quaco Head, showing twice full and twice dark in a minute. This light can be seen from any quarter where a vessel can approach. The Light House is painted white and red in horizontal stripes.

Cape Enrage Light.—On the point of that name, in Westmorland, nearly opposite Apple River Harbour, N. S. A plain *white* light. The House is painted white, and is about 120 feet above tide mark.

West Quoddy Light.—This is an American Light, and is placed on the West side of the entrance into the Saint Croix by Lubec and Eastport.

Cape Forchu Light.—On Cape Forchu, on the western side of the entrance to Yarmouth (Nova-Scotia), in lat. 43, 39, N. long, 66 3. W. It exhibits a plain revolving light—visible one minute and a quarter, and invisible half a minute. The building is painted white, and is elevated 135 feet above the level of the sea.

Light Houses in Nova Scotia—in addition to those previously noticed
Sambro—Sambro Island, mouth of Halifax Harbour—a fixed Light,
