### SWEET REVENGE FOR TORONTOS TECUMSEHS GET REAL BEATING

Blue Shirts Outplayed Indians at Every Stage and Won N. H. A. Fixture Handily -Torontos Showed a Barrel of Speed.

By making a few shifts in their team and sending the squad on the ice just "pepper," the Torontos handed the Tecumsehs a real trimming at the Arena before some 3000 fans last night. Good, hard checking and some real hockey made it 6 to 1 for the blue shirts. This is ample revenge for the 5-to-2 Tecumseh victory Saturday night.

The "two-man" team never had a chance at any time, and were lucky to get away without a kalsomine dose. The speedy Toronto outfit just played rings around the Indians and the big McNamara brothers looked folish when a Toronto rush went down the ice.

Jack Marshall made his debut in a Toronto rush went down the focus of the forward line. It was great help to Torontos, and they showed to better advantage than ir any game to date. Every Tecumseh rush was broken up by good, hard checking, and this alone was what won the game for Ridpath's boys.

Smith Was Banished.

After being held scoreless for two periods, the indians started to mix things in the last twenty minutes. Harry Smith was banished from the game and is \$25 poorer for handing Cameron the butt-end of his stick in the mouth. It was the first match foul committed in a league game at the Arena. Cameron gamely returned to the game after getting patched up. hockey made it 6 to 1 for the blue shirts.

returned to the game after getting patched up.

The first period was the slowest twenty minutes of the game, with Torontos having all the better of it. Nicholson had a good night in goal and his team had all the breaks. Torontos started right in on the aggressive and kept Tecumsens at their own end of the ice for the biggest part of the period. Nighbor was a big improvement over his last appearance and was the leader in the back-checking. Davidson and Foyston got thru the Indian defence time after time, but their shots were either turned aside or Nicholson managed to clear in time. The period ended without any scoring.

Piled Up Score in Scoond.

Torontos started in faster than ever after the first rest, and Tecumsens were played off their feet. Throop was the only Indian to show anything, but his rushes were broken up before he got as far as the Torontos' back line. Foyston netted the first goal of the game twenty seconds after the face-off. Frank stole the mick from G. McNamara when he

was going around behind his own seal, and batted it in. The blue squad made things interesting for the rest of the period, but it was fourteen minutes before the next tally was made. Wilson took to the period of period, but it was fourteen minutes before the next tally was made. Wilson
took a pass from Nighbor from behind
the net and beat Nicholson.
Jack Marshall broke up a Tecumseh
rush and went up all alone, lifting from
fifteen yards out, landing it in the centre
of the net, three minutes later.
Davidson helped Nighbor to tally the
next. It was a nice piece of combination
that drew Nicholson out and Nighbor just
shoved it in.

that drew Nicholson out and Nighbor just shoved it in.

Saved a Whitewash.

Tecumsehs were just as helpiess in the last period and the Toronto forwards went right thru to the net time without number. The McNamara boys could not stop the speed merchants and they netted two more, making it 6 before they let up. H. McNamara scored the only Tecumseh goal with a lift from the side that fooled/Marchand two minutes before thme was up.

Marchand, in goal for Toronto, was at his best and any shots that came his way were handled to a micety. Marshall and Cameron made a defence that could not be improved upon. Cameron got the hand several times for his individual rushing.

with Davidson, Foyston and Nighbor

as the forward line Torontos were un-beatable and if the Blue Shirt manage-ment are wise they will use this trio in all ment are wise they will use this trio in all their future games.

The McNamara brothers were the best for Tecumsehs, but were outclassed by the Toronto back pair. Corbeau was again in the limelight, with the rough stuff and got away with it on many occasions. The teams:

Diamond Jubilee Bonspiel Is Affected by the Weather -Some Good Rounds.

GUELPH, Ont., Jan. 15.—(Special.)—
The soft weather is having a very detrimental effect on the big Diamond Jublee bonspiel now going on here. The ice is in such a condition that only by sheer strength and courage can the curiers get the stones up, and many rinks from out of town, rather than stay for the consilation match, are defaulting their games and leaving for home. Notwithstanding the unfavorable conditions, some spl. ndid games are being played, and the best rinks are staying to fight it out to the end. Today's scores:

Only the work of Boyes kept down the score in the first half. On the line the Ottawas were also stronger.

Jack Darragh starred thruout, and Roman was a close second. They tore off some pretty two-man rushes and occasionally checked the Wanderers off their feet. Eddie Lowery, the New Eddinburgh amateur, made his debut, and after replacing Broadbent in the third he took a pass from Darragh and scored the pretitest soal of the night from a difficult angle. Answs Duford did not sign up.

Russell was the best of the forwards. Odie Cleghorn and Harry Hyland were so closely watched that their chances were few. The Wanderer wings were outskated by the Ottawas and tho they tried combination plays the soft toe spoiled if. Had the surface been hard thay would probably have made a much better showing.

Play was clean threout, not a major foul being given out.

After the match it was announced that the Ottawas would have a new defence man here temorrow. He is coming from the west and will play against Canadiens on Saturday. The attendance tonight was about 4500. Ross and LeSeuer collided in the third peried and he game was stepped while they were disentangied, this being the only delay of the game. The line-up:

Green Shirts Defeated Preston at Hamilton-Small Rink

HAMILTON, Jan. 15.—(Special.)— St. Miques of Toronto defeated the fast Presion team by a score of 7 to 4 in the exhibition game played on the Alerts' arena here last night, before a crowd of about 840 spectators.

The ice was good and the games from start to mush was one of the fastest that has ever been played on Hamilton ice, but, despite this speed,

At precisely 8.15 the teams lined up as follows:
St. M.ques—Thompson, goal; W. E.
G. Murphy, point; Gordon, cover point;
Laftamme, rover; Rankin, centre; Richardson, left wing; J. Murphy, right

Wing.
Preston—Reinhardt, goal: Bowman,
point; Falmer, cover point; Walker,
rover; Etherington, centre; Meiory. left wing; kahn, right wing. Referee—Manager Duncan Midland team.

Midland team.

For the first ten minutes of play the St. Miques were cramped in the comparatively small rink after playing on the larger fee of the Toronto Arena. But after that they began to find themselves and after some beautiful play J. Murphy put one to the net for the first point. After this the Toronto boys got busy and put three more over before the bell rang for half time, Gordon, Hankin and Lanamine turning the trick in the order named. The fourth goal was made after a beautiful rush by Lanamine, right thru the curre. The Treston boys were not id, chowever, while this was happening, and by some very nice hockey they managed to get past the strong.
