NEW GRAND STAND AT WOODBINE HANDED OVER TO THE DIRECTORS

O. J. C. Entertain Friends an d the Press to Luncheon in New Members' Room —S ir Melvin Jones in the Chair—Tuesday Morning's Trials on a Slow Track Outside the Dogs.

The directors of the Ontario Jockey Club entertained a number of their friends and the press to luncheon in the members' room of the new grand stand at the Woodbine yesterday at noon. A nice party sat down to a well-arranged luncheon and the best of good feeling prevailed.

In the absence of the president and first vice-president, Messrs. Jos. E. Seagram and Sir Edmund B. Osler, Sir Lyman Melvin Jones, second vice-president, acted as chairman. In a very happy speech he thanked the gentlemen present for braving the elements to come out and view the surroundings.

The new grand stand was practically handed over to the directors yesterday, and is something that is a credit to the Ontario Jockey Club, as well as the architect. It is constructed almost entirely of steel and concrete and will seat comfortably over eight thousand people. The seats are most comfortable, and the view from any point is unobstructed. From the top deck of the stand possibly one would get the best view of the race. In short, the new stand is perfection, and the Ontario Jockey Club are to be congratulated.

In the course of Sir Melvin Jones' remarks he spoke of the value of the press and how much had been done by the Toronto papers to uphold the sport of racing, but there was one feature that had been almost entirely overlooked, viz., the ladies of our country. The mothers, wives and daughters, by their presence, had materially aided the Ontario Jockey Club and had helped to make the sport of kings what it is today.

Judge Francis Nelson and Sir John Willison responded for the press in appropriate speeches.

After luncheon, Secretary W. P. Fraser escorted the party over the stand. They were shown everything of interest. The appointments are complete and the O.J.C. have likely the best stand of the kind in America.

The track at the Woodbine yesterday morning was in very fair condition, but the continual downpour made the authorities put up the dogs, and all work was done on the outside of the track. There was a lot of good work done.

From the Giddings' barn, Bee Hive, the Guineas candidate, worked a clever mile in 1.43 2-5, and galloped the 1¼ miles in 2.17 very easily. The fractional time was ¼ in .26, ½ in 52, ¾ in 1.19 2-5, and the mile in 1.43 2-5. Hearts of Oak, the winner of last year's plate, went the best mile of the morning, and finished under wraps, ¼ in 26, ½ in .51¼, ¾ in 1.18, and the mile in 1.43 3-5. Sarolta and Venus Urania were worked together a mile in 1.49 2-5, Sarolta being in the lead all the way. All Bass ½ in .52 1-5, and Harry Bassett ½ in .52. This colt will take some beating. He is good headed and very reliable.

Thos. Ellwood's Astrologer worked ⅝ in .39 1-5 handily, and Battle Song, from the Gorman string, ⅝ in 1.09 1-5.

Wm. Walker's horses were given useful work. Duquesne breezed ⅝ in 1.04 very easily; Letourne ¾ in 1.19 2-5; Uncle Ed. ⅝ in 1.19; Banjo Jim, a favorite of Mr. Walker, ¾ in 1.16 3-5; Sherlock Holmes ¾ in 1.13 1-5; Tom Horn ⅝ in 1.19 2-5; Mona G., ⅝ in .37 1-5.

Toy Boy, from the Fuller Stable, breezed ½ in .51 2-5. This was his first appearance. All the string from this barn, who are in charge of R. M. Small, were given useful work. They have been raced nearly all winter and are in grand condition.

Cassowary breezed ⅝ in 1.06 handily; Sir Blaise ⅝ in .40; Wavaney ½ in .53; Cliff Stream a mile in 1.51; Old Reliable a mile in 1.51; Marcovil a mile in 1.56 4-5.

From the Dyment Stable, Beau Cheval and Mail Order worked together a mile in 1.53 handily. The balance of the string were given good useful work.

Col. Hendrie's string, in charge of Eddie White; Slipper Day and Privet Petal worked 1¼ miles in 2.04 2-5; David Gillies ½ in .53 3-5; Splutter and Last Spark ½ in .52. The latter two are entered in the Coronation Stakes.

Edward Moore shipped from Lexington on Monday with a large string, and is expected any time now.

HATCHING WILD PIGEON EGGS.

GALT, May 12.—Clifford Hunter, Preston, the other day secured a nest of wild pigeon eggs near Roseville, transported them home safely, and is having a tame pigeon hatch them. Mr. Hunter declares that the belief in the extinction of the wild pigeon in Canada is erroneous, for he knows the haunts of the birds.

Billy Hay says:

"It was Oliver Wendell Holmes who said that boys ought to be kept in a barrel and fed through the bung-hole until they were twenty-one years old.

"Shame on Oliver for that!

"Lots of boys earn as much today as their grandfathers did when they had a family to keep, and are working out an education for themselves that will enable them in a few years to stand out before the public as successful business men.

"And these same boys recognize how much personal appearance helps or hinders them in their efforts for advancement.

"The 'Varsity' is a special model that has been particularly designed and tailored for the clean cut type of young man who believes in himself and what he is capable of.

"Call in and ask to see the 'Varsity.'

North Riverdale beat Robertsons on Saturday at Frankland School grounds before a good crowd by the score of 2 to 1. Robertsons won the toss and played with what little wind there was, only to be driven back by Law's strong kicking. F. Hutchinson got away, but was easily held by Lowe. North Riverdale found it hard to hold the Robertson's forwards, who had the defence in difficulties time and again. Bedford and Clark worked down on the right, and the latter, passing to Wilson, saw him score with a good cross shot a minute later, half time arriving much to the relief of the players. The second half opened up with Robertsons making straight for the goal, but the Riverdale defence held them well. Armstrong and Hotter got away once or twice, but were beaten back every time by Williams, who was playing a wonderful game. Ten minutes from time, the Riverdale forwards worked down, and F. Hutchinson shot high and Pycroft being unable to see owing to the strong run, Riverdale scored a lucky goal. Seven minutes later the same player scored again. Riverdales thus won out by 2 to 1. The teams lined up as follows:

Robertsons (1): H. Pycroft, W. Williams, J. Russell, L. L. Leedham, J. Lowe, J. McKenna, R. Bedford, A. Clark, R. Wilson, J. Hutchinson and S. McMahon.

N. Riverdale (2): Cooper, Brookes, R. Law, Laidlaw, Bramhall, Hutchinson, Hotter, F. Hutchinson, J. Rimmer and Armstrong, Law.

Referee: Mr. Bent.

Everything comes to those that wait, and it came to Gerrard F.C. on Saturday last when they bumped into West Toronto United at Lambton. When the smoke had cleared away West Toronto came out with a 3 to 0 win to their credit. The game was fast and clean thruout, the referee having it well in hand at all stages.

Dunlops Tire Seniors blanked St. James by 4 goals to 0 at Kew Beach on Saturday. This being Dunlops' first home game in four weeks they have regained their former winning vein and pleased their crowd of supporters, who were present on Saturday, by their display. The goals were registered by S. Howson 2, R. Lavery 1, H. Taylor 1. The appearance of S. Woods in the forward line brought the desired reformation. The others seemed to take the cue with the result that St. James' goalkeeper got a pretty busy time.
