The amount of moral turpitude caused by the disclosures of the Mechanics' Bank has received considerable accession since the return of one of the directors from his summer sojourn in Europe. "The army swo e terribly in Flanders," but it was nothing to what has been heard at our street corners and along the wharves for some days back, qualifying the epithets applied to the stoical manager of that defunct concern.

Punch's last article on the Vanguard business: "The Sinking Fund—the Navy Estimates."
