

Water Power.

THE River Avon, which runs through the centre of the town, forms a Good Water Power, and excellent sites can be obtained along the river for any branch of industry.

Railway Switches.

THOSE manufacturers preferring to be near the railway, will be given free sites close to the railway, where switches can be run into the works if of such magnitude as to warrant the expense.

THE COMMERCIAL HOTEL, DOWNIE ROAD ;
T. HAGARTY, PROPRIETOR.

Stratford's Geographical Position.

A GLANCE at the Maps attached to this pamphlet shows Stratford as a Great RAILWAY CENTRE, lines diverging in every direction—North, South, East, and West—being in a central
