

. CANKER.

Cut away freely all the diseased parts, and if necessary draw the frog, then apply the

LINIMENT FOR CANKER.

Warm 6 ounces of tar, mix with it, drop by drop 1 ounce by measure of oil of vitriol, then add 1 ounce of oil of turpentine. Bind this firmly on the part, destroying all the diseased protruberances with lunar caustic. When the wound looks healthy, dress it with the green ointment.

CAPPED HOCKS.

If the swelling proceeds from a bruise or a blow, bathe it three or four times a day in salt and vinegar made warm. If it proceed from a natural cause, apply the suppurating poultice, and when matter is formed let it out, then use the green ointment.

COLD.

Take a quart of blood from the neck, then give warm mashies with a scruple of nitre in
