

Fearless Judge, a Kind Friend, a Hateful Enemy, a Faithful Guide, the Source of Infinite Power, Wisdom, Knowledge and Joy, and a King without Intelligence, who must be Honored and Obeyed.

There are two Eternal Minds of Nature who possess great Intelligence, but differ greatly in disposition ; One is a Reformer and the Other a Conservative, They have battled each Other for nearly 6000 years on the field of the Universe.

I have also knowledge concerning the origin and destiny of the human family, and how Eternal Life or long life may be obtained.

### THE MILLENNIUM.

---

Who are these arrayed in white  
 Illustrious as the Sun ?  
 These are they who day and night  
 Fought with the Lamb till He won.

What has become of the night,  
 It is now eternal day ?  
 The Saviour is now the light,  
 For those who did Him obey.

What has become of disease,  
 And drug stores I did behold ?  
 Nature smiled when sin did cease  
 And no more drugs can be sold.
