The close was weak, %c to %c to 1%c under last night. Corn and oats finisned steady, within ½c eiting hours before. In nog products the out-come was 12%c to 1%c net decline. Altho May wheat suffered the worst in the seling flurry, the semi-panic in that mouth started with the sudden unloading of several hundred thousand bushes of july. Prominent longs then began fetting go of the earlier option, and there was a quick somersault by the market as a whole. During the session May ranged between 8%c and 30%c, with the close In corn, offerings were scanty, the first half of the day. Subsequently demand was equally lacking.
