

Right By Your Door

Notwithstanding where you live, this car, or one exactly like it, has probably passed right by your door within the last few days, for they cover the entire city and go to the most out-of-the-way places.

Instead of waiting for the old-time plumber you simply telephone, and one of these cars goes direct to you just as rapidly as the local speed bylaw will permit.

There is no going back for tools or materials, for these perfectly equipped cars have every convenience for doing instantaneous, effective work. Some one of these cars is always ready whenever you phone, day or night.

ALL CANADA IS THANKED.

Acknowledgment Given for British Red Cross Campaign.

A letter has been received by his excellency the governor-general, from Sir Robert Hudson, acknowledging the generosity of the people of Canada in the late British Red Cross campaign, the amount raised being 475,000 pounds sterling.

The grateful thanks of the joint societies of the British Red Cross Society and the Order of St. John are presented and his excellency is asked to convey to the people of Canada this recognition which contains the following:

The continued efficiency of our work is largely due to the munificent contributions we have received from Canada during the past three years. The Dominion response on "Our Day," 1917, has beaten all records, and enables us to look forward for the time being to meeting the demands which reach us from every theatre of war—demands which I fear will continue to increase until victory is achieved.

THE SPRING TONIC FOR PALE, THIN PEOPLE

If You Want to Gain in Weight and Recover Your Appetite, Energy and Ambition, Try This Well-Known Remedy.

With the passing of winter many people feel weak, depressed and easily tired. The body lacks that vital force and energy which pure blood alone can give. In a word, while not exactly sick, the indoor life of winter has left its mark upon them, and a blood-building, nerve-restoring tonic is needed to give renewed health and energy. Dr. Williams' Pink Pills are an all-year round blood builder and nerve tonic, but they are especially useful in the spring. Every dose helps to make new, rich, red blood, and with this new blood returning strength, cheerfulness and good health quickly follows.

If you are pale and sallow, easily tired, or breathless at the least exertion; if your complexion is poor, or if you are troubled with pimples or eruptions, Dr. Williams' Pink Pills are just what you need to put you right. If you have twinges of rheumatism, are subject to headaches or backaches, if you are irritable or nervous, if your sleep does not refresh you, or your appetite is poor, you need the treatment which Dr. Williams' Pink Pills alone can give—you need the new blood, new health and new energy this medicine always brings.

A COMPLETE WRECK. GAINED IN WEIGHT.

Mrs. C. Forsythe, R. R. No. 2, Fisherville, Ont., says: "At the age of fourteen my daughter Viola was feeling very much run down in the spring. Then she was attacked with whooping cough which left her a complete wreck. She had no appetite, could not sleep well nights and was subject to chills which sometimes kept her in bed for the day. She was doctoring steadily, but not apparently getting the least benefit, and I naturally grew very anxious. One of my neighbors suggested giving her Dr. Williams' Pink Pills, and I got a box. When she began using the pills she weighed only 87 pounds. Before the box was all gone I sent and got six more boxes, and under their use she constantly grew stronger. Her appetite improved, the color came back to her cheeks, she could sleep well, and feels and looks like a different person, and with all this while using the pills she gained 20 pounds in weight."

Mrs. M. B. Rickert, Kitchener, Ont., says: "I was weak, run down, and losing weight when I began using Dr. Williams' Pink Pills. I took the pills steadily for a month, and the difference they made in my condition was most gratifying. I gained both in strength and weight, and feel since I used the pills like a new person. I also recommended the use of the pills to my daughter-in-law, who was pale, thin and weak. When she began using the pills she weighed only 108 pounds and when she discontinued their use she weighed 137 pounds. For all weak people I think there is no medicine can equal Dr. Williams' Pink Pills."

A SALLOW COMPLEXION.

Miss Gladys Marshall, Chatham, Ont., says: "I suffered from nervousness and my blood was in a very poor condition. My face broke out in pimples and my complexion was very sallow. I took doctors' medicine, but without beneficial results. I was feeling much discouraged when a friend recommended Dr. Williams' Pink Pills. I used in all six boxes, and was overjoyed to find that my complexion had become quite clear, pimples had disappeared, my nerves were strengthened and my old-time health and ambition returned. I shall always have a good word to say for Dr. Williams' Pink Pills."

Notwithstanding the increased cost of all drugs, there has been no change in the price of our Dr. Williams' Pink Pills. They can be had through any medicine dealer at 50 cents a box, or six boxes for \$3.50, or will be sent on receipt of price by The Dr. Williams' Medicine Co., Brockville, Ont.

FIFTEENTH ANNUAL KENNEL CLUB SHOW

Four Hundred Dogs on Exhibition, Among Which Are Famous Specimens. LARGEST EXHIBIT EVER

Toronto Club Holds Most Successful Event in Its History.

Much interest is being taken in the annual show of the Toronto Kennel Club, now in progress at 424 Yonge street, corner Buchanan. Yesterday afternoon, when the judging was in progress, the enthusiastic owners and spectators and the judges went about their work of inspection with the surety of authority in their profession.

This is the fifteenth year that the Toronto Kennel Club has held its annual show, and despite the conditions it is one of the largest ever held. The judges are among the best known in the continent, two being from the United States, one from Montreal and two local. The number of exhibitors is the number of women exhibitors. Among the exhibitors is T. H. Kenyon, who has been showing for fifty years and who is known all over the continent.

Among the collies is Champion Coltness Clunker, a beautiful tan and white specimen, which has international fame, being the only Canadian dog of his class that was shown at the world's fair at San Francisco. A younger dog of the same breed is Coltness Commander. Both are owned by J. D. Strachan. A Lowenstein has a number of attractive whippets, one of these, Prince Charming, being at last year's Canadian National Exhibition, where he showed good points in racing. Worthy of mention in the class of English bulldogs is Heywood Marco, owned by J. H. Lakin and Hettie Mischief, by the same owner. Champion Chestnut Ginger, owned by H. T. Gubb, and Jellico are also attractive specimens.

A number of splendid black and white wolf-hounds and several Pekingese, English toy spaniels and Maltese terriers are exhibited upstairs, among the latter class a beautiful white, long-haired specimen, Emer de Malta, shown by Raymond W. G. Carr. In Russian wolf-hounds A. J. Beaudin is the winner in yesterday's judging. There are four hundred entries in all. The judging closes this evening.

MAPLE LEAF, R. B. T.

Maple Leaf, R.B.T., 337, held its annual at-home last evening at Euclid avenue hall, when there were 600 guests present. An excellent program was given. A number of the grand lodge officers and the county officers of the County Chapter of York were present and occupied seats on the platform. The chairman was Sir Knight W. H. Bolton, preceptor.

HAVE DARK HAIR AND LOOK YOUNG

Don't Stay Gray! Nobody Can Tell When You Darken Gray, Faded Hair With Sage Tea and Sulphur.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen your hair with water and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is used for the cure, mitigation or prevention of disease.

Percy L. Moffatt Now Knows Fate of Brother William Henry.

A sergeant of the Notts and Derby, better known as the Sherwood Foresters, discovered a photograph enclosed in an envelope in the inside pocket of a Canadian tunic on a body lying on the battlefield last October. This has been identified by Percy L. Moffatt, of 571 College street, Toronto, as that of his brother, William Henry Moffatt, No. 22068, of the 5th Battalion. The brother had been listed as missing since sometime in June, 1917. William, attending the Harbord Collegiate at the time he enlisted, and was a sergeant drummer with the collegiate corps. When he enlisted he looked out to be tall, and joined the 201st Battalion, drafting into the 170th Battalion when the 201st was broken up. Finally he was drafted into the 7th Battalion, to which he was attached when killed. He was born and educated in Toronto, and a brother, Fred, is at the front with a British regiment. Another brother lives in Canada and is married, while a third brother is still in Toronto at school.

RESIGNATION IS ACCEPTED.

Chief License Inspector for Ontario Has Letter to That Effect.

The resignation of Robert Burrows as chief license inspector for the province of Ontario, which was tendered February 23, has been accepted, a letter to that effect reaching him from J. D. Flaville, chairman of the Ontario License Board. This is the result of a difference of opinion as to the duties of the chief inspector. Mr. Burrows claiming that certain functions were demanded which should properly be performed by subordinate officials. Mr. Burrows was appointed 13 years ago, and during his tenure of office was instrumental in elevating the status of hotels in Toronto. Thru his endeavors 40 proprietors were persuaded to continue in business when they threatened to close with the advent of the Ontario Temperance Act. This would have reduced hotel accommodations to such an extent that serious injury would have resulted to the city, it is claimed.
