### NOTE AND COMMENT

In reference to the many suggestion valuable and otherwise, spreadbroadcast oflate about sending a soccer team to Olympia, Mr. Perira, hon. secretary of the committee, points out that, as the games take place in England next fall, there is ample time for test matches in Canada, as has been suggested to him, but the whole thing is a matter of finances. If the Olympic committee have enough money a Canadian soccer team may go, and in any case one of the recognized associations should have the final

Cable Chess Game.

PHILADELPHIA, March 21.—The Americans had a decided advantage to-night when play in the cable chess match between teams representing Oxford and Cambridge of England and those representing Columbia, Harvard, Yale, Princeton, Cornell, Brown and Pennsylvania was adjourned. According to the rules agreed upon the play, which had started at 8 a.m., ceased at 6.30 p.m. Four games had the been decided and of these the Americans had won two, lost one and drawn one, giving them a score of 2½ to 1½ for their British opponents. Draws were offered to the Britishers on the two unfinished games, but the latter declined, preferring that they be adjudicated by Referee Walter Penn Shipley of this city. Mr. Shipley would not give his decision on the spot and stated it might be a week before his opinion was given. Experts in attendance on the games gave it as the opinion to-night that the Americans would retain their lead after the adjudication, and in that way win the match and the Rice Trophy. GUELPH, March 21.—In a game unworthy to be called hockey, the Toronto proteam defeated the Guelph proteam as the Royal City Rink to-night. No combination work was attempted by either team, all the goals for both sides being scored after individual rushes. Much slashing and rough play was indulged in, and, altho a little rough-house would have lent the game some interest, players were often penalized. At the sound of the half-time whistle Lalonde and Fyfe started in to rough things up. All the players of both teams joined in, as did also a few of the spectators, but the fight was soon stopped. W. K. Vanderbilt's race horses are now regaining the same prominence in Paris as last season. His string has but little changed thru, the winter. He retains the same jockey, Bellhouse. His leading racers last week have been Omega, Berkeshire Tessie, Seasick, Parnes and Ottawa, which finished mostly seconds and thirds Ontario Kennel Club Show.

The show committee of the Ontaria Kennel Club, in charge of the spring show, completed the first part of their labors when one thousand premium lists were sent out, giving all information regarding the exhibition, which will again be held in the spacious sale ring of the Repository on April 16, 17 (Good Friday) and 18. The dog has made a host of friends in Toronto during the last few years, and more especially is this trus with the ladies, as is evidenced by so many of the gentle folks enquiring for information.

The success of the O. K. C. members at the New York and Buffalo shows, the largest shows on the far side, warrants the belief that the Easter week event will be best in quality and the largest in quantity ever held in Canada. Because of the tardiness of some owners last year, the club were obliged to decline many entries received after the day of closing to the annoyance of both owner and club. Hence the necessity of emphasizing the date of closing of entries this year, namely, March 30. Frank A. Metcalfe, the club secretary, Box 534, Toronto, will receive entries and give all information. There are many good dogs in and about Toronto that have never been given a chance in the show ring, tho they may if tried, before an expert, prove very valuable and bring some special prizes, and incidentally a little cash, which the club is giving this year to winners, to their owners. Everybody having a dog of any pretensions, no matter of what breed (a class is made for every breed), should learn what its merits are by entering it at once.
