FAST TIME AT DUFFERIN HAL D. MILE IN 2.19 1-4

Perfection Best Stayer and Wins Good Day for Favorites at Moncrieff in Five Heats-Minnie W. Wins 2.23 Race.

The opening day of the ice meet under the auspices of the Dufferin Driving Club was a decided success. The track was in the pink of perfection, and extra good racing was the result. There was a good attendance. Many prominent horsemen from outside points were in evidence, and all were loud in their praises of the quality of the racing.

In the 2.15 pace there were four starters out of seven entries, and they were all evenly matched; in fact, no one horse had any walk-over. Hal D. opened favorite and won the first heat in 2.194, the first half in 1.08, with Tom Diliard in second place. He led the first half, but Hal D. got to him, and it was a grand race thru the stretch, Perfection finishing in which place.

thru the stretch, Perfection finishing in third place.

In the second heat, Perfection went to a bad break and was out of the heat, Hald D. winning, with Tom Dillard second and Perfection third. Time 2.24.

In the third heat Perfection got away well, with Hald D. and Tom Dillard right up, and in rounding into the home stretch Hald D. made a mistake, and Perfection inished first, with Hald D. second and the Dillard third. Time 2.22.

The fourth heat was won by Perfection, with Hald D. second and Dillard third. Time 2.25.

The final heat was won by Perfection, and it was a good driving finish between and it was a good driving finish between

The final heat was won by Perfection, and it was a good driving finish between Perfection and Hal D., the former getting the decision. Time 2.24.

In the 2.23 pace, there were seven entries, with five starters, which was won by Minnie W., owned by E. C. Lewis, who used a great deal of judgment in his drive. Wild Patchen was the contender, having won one heat.

The club are putting on a good card for to-morrow—two first-class races. Unfortunately, the three-mile race had to be called off owing to lack of entries.

No Hopples to Be Used After 1915 Other Changes

NEW YORK, Feb. 9.-Beginning with the season of 1915, no hopples shall be used on pacing horses and in the interim the device is to be gradually eliminated. This decision was reached by the 25th congress of the National Trotting Association

gress of the National Trotting Association at a meeting in New York to-day.

"Hopples," said a new rule, "shall not be used in races or performances against time on two-year-olds or under in 1910; on three-year-olds or under in 1911; on four-year-olds or under in 1912; on five-year-olds or under in 1913; on six-year-olds or under in 1914; after which time hopples shall be barred."

No action was taken on the request from the stewards of the Grand Circuit that horses shall be eligible to start on half-mile tracks in classes four seconds slower than on mile track records. It was decided that trotting associations in Ohlo might join either the National Association or the Amerean Association, as they desire.

Section 1 of rule four was amended as follows:

"In all purses five entries are required, and two to start, unless otherwise specified." The old rule required three entries and two to start. It was also decided that "If only one of the horses entered for a purse shall appear on the course, he shall be entitled to his own entrance money and to one-half of the entrance morey received from the other entries for said purse." said purse."

Representatives of 331 tracks that are interested in trotting horses on the Grand Circuit attended to-day's meeting. President P. H. Johnston of Lexington presided. Johnston was re-elected president and the association adjourned until its next biennial session in 1912.
