HIGH WATER MARK **IN SCORING GOALS**

Paddlers Run in Thirty-One T. C. C.31 Shelburne on the Shelburne Juniors.

Goal scoring records, "U.F.O." Ty, Hair Nets and the Shelburne rooter provided a host of fun at the Arena lest night when the return second round O. H. A. Junior game between Toronto Canoe Club and Shelburne was staged. The Shelburne boys visited the big town, took in all the eights and then floundered around on the big ice for sixty minutes, while the paddlers scored 31 goals, a high-weter mark for the local ice. Shelburne got three and two were gifts.

Connacher was the only T.C.C. player to play "cricket." In the third period he saw that the boys from up the line would go home heart-broken if they failed to get a gcal. Brown went down. Conny stepped aside to let Brown shoot. Worters failed to get into the scheme and stopped the puck, so in raced Connacher and batted the rebound into his own net. The fifty-odd spectators gave a cheer and Connacher again let Brown get another. The third Shelburne goul was earned.

FAIL TO END A

American League Club Owners Spend Fruitless Hours in Vain Attempt.

Chicago, Feb. 10.—Club owners of the American League met in a long discussion tonight in an attempt to end the factional fight, which has claimed the attention of the magnates since Pitcher Carl Mays was purchased by the New York Club from the Boston Red Sox last summer. After several hours' debate no decision was forthcoming, and none seemed in sight before tomorrow. An informal meeting, which was limited to the club owners, was held this evening, and according to some of those who attended, it appeared that the "dove of peace" would be present at the night session, which was called to order at 10 p.m. The formal gathering followed the regular day meeting, at which time a schedule, calling for 154 games during the 1920 championship race, was adopted. The rules which were amended at the meeting Monday of the joint rules committee of the American and National Leagues were approved.

While several trades were engineered by National League managers and owners today, there was little talk regarding trades in the ranks of the younger organization.
