Hon. Mackenzie King objected to any legislation until some authority defined the jurisdiction of the Dominion parliathe jurisdiction of the Dominion parliament. The most vigordus objection to the Burnham resolution came, however, from John Best of Duffer.n., John H. Sexsmith of East Peterboro and George Boyce of Carleton, who insisted that labor was being drained from the farm to the city by the lure of high wages and short hours. The cost of living, they said, would go higher than ever if an eight-hour law were passed, and the production of dairy products would be enormously curtailed.

EXPECTANTLY AWAIT G.W.V.A. DECISION

there had completed arrangements to hold a round table conference next week. The object of the conference is to try and decide on some united action for a further gratuity.

'It is a well known fact that the

gratuity and the Army and Navy Veterans at their last general meeting there endorsed the Calgary resolution so that it will be of special interest to veterans locally to note the stand taken by the G.W.V.A. at the confer-

In the event of the London Command deciding to cast their lot with that of the other two veterans' organ-izations in London and pressing for a further gratuity, based on the Cal-gary resolution, they will be acting contrary to the wishes of the Ontario Command of the G.W.V.A., who favor the G.W.V.A. re-establishment scheme.

ARMENIAN VILLAGES BESIEGED BY TURK BANDS

up a new breakfast for you."

Alice was touched, and, to show her gratitude, ate the food she did not Lois fairly purred her satistically and Davey were never made for each other." she went on, in honeyed tones, getting up from the table. manner in a way that would ordinar- broken." ily have amused that practical-minded young lady. But Alice was in a sentimental mood today. She felt she had given up everything worth while in life when she had given David his freedom, and the down in her innermost heart she hoped he would come back to her, and tho she was almost sure he would—still, the world was a black place to her today.

Lois watched her with apparent

"If it's not your mother you, are write to him to come and take me for worrying about, it's Davey," she said, finally, as tho she had suddenly made Head river is quite pretty to visit."

IN THE COLONIES

"Who?" asked Alice, coming to her-TO GROW COTTON

Lancashire Capitalists to Invest £15,000,000 for Com-

mercial Development. London, March 11.-Empire cotton

growing on a commercial basis almost immediately is foreshadowed from a meeting held yesterday in the house of commons, which was attended by some of the Lancashire members of the house and other persons finan-cially interested in the cotton trade, according to The Manchester Guard-

A suggestion was approved, says the newspaper, that the Lancashire capitalists provide 15,000,000 pounds the mate to his pal. "My rank makes the mate to his pal. My rank makes this part an easy matter, but the best plan is to bind the captain during his part to reasonable facilities by road and rail to be provided by the colonies over the sofa, then secure the revol-

The meeting was adjourned for a week in order that inquiry might be made into the practicability of Lancashire providing the 15,000,000 pounds. The Manchester Guardian says it is believed this money will be readily forthcoming, because Lancashire at present is full of money through the cotton trade boom. The newspaper adds that it is considered if the plan materializes the proposed

self again with a start.
"Davey, David," Lois explained.
"I ve been calling him Davey—it's such a nice nickname, don't you think?" Alice did not answer. Lois poured herself another cup of coffee and re-

and had carried it upstairs to the bed- Alice's face closely. Alice felt as the someone were sticking little knives into her, but she forced herself to answer with apparent unconcern.
"No; of course, I don't care what

you call him." There was silence for a moment. A tiny smile played over Lois' pretty lit-tle features. Then she said, sudden-

I think you are quite right in breaking your engagement to David."
"How did you know that?" Alice almost jumped from her chair, she was so startled by Lois' remark.

"Oh, it's perfectly evident," the young girl smiled a little triumphantly and helped herself to another self a gay little laugh. then resumed: 'And today you won't talk and you look perfectly miserable, and, of course, it must be worrying over a man. I always worried and wept when il broke off engagements." Lois set-tled back with a little sigh and drunk

some more coffee. "How many did you break?" Alice

"Oh, not many—only three, in fact." Lois answered, amiably. "It used to please mother to have the boys crazy about me. Poor mother!" She sat ed, sitting down again. 'You see what a useful person I can be. Now you must eat, Alice, dear, after I've fixed her, so she gropped the pose prompt-

Still Alice said nothing; the pain in her heart was too sharp.

"Since you aren't engaged, then," Lois went on, ready now to leave the kitchen, "you won't mind my going about with Davey a bit, will you, "Of course not," Alice managed to

"Well," Lois said, studying her polished fingernails intently, "I think I'll write to him to come and take me for
