HAZELTON NEW

RED SOX PITCHER

Former Dartmouth College Star Gets Into Professional Company.

Says Ralph McPherson in the Boston American: Sidney C. Hazleton, the Dartmouth pitcher, who has been working in professional ball about Boston, has joined the forces of the Red Sox. He will be given an early try out. Hazleton is a tall, strong, rugged youngster, of whom McGuire expects much. He has been a constant visitor at the Huntington avenue grounds this season, working with the team in practice.

At Dartmouth he was considered one of the best twirlers the college has had in recent years. He prepared for college at Medford High, doing little or no pitching, however, until he went to Dartmouth. There he was rapidly developed under Coach "Billy" Hamilton, so that he won his D in the box, leading four out of five games. In his sophomore year Dartmouth had five box artists, Skilling, Beckett, the Glaze brothers and Hazleton, but Hazleton was the most effective, winning five out of seven games.

Last summer he pitched great ball for the York Beach professionals, winning twelve out of thirteen games. For his professional connections he was disqualified with nine other Dartmouth players last September by the athletic council.

He is 29 years old, stands 6 feet 2 inches and weighs 175 pounds. He is a member of the Phi Sigma Kappa fraternity.

GLAZE JOINS PROVIDENCE.

President John I. Taylor came up from Buzzards Bay to arrange matters prior to the arrival of the team. Hugh Duffy was in an early call and the matter in which the transfer of Pitcher Ralph Glaze figures was soon arranged. Glaze left for Providence.

McHale, who was "almost" sent to Toronto to be with Dr. McGuffey's boys for the present, Hartmann will all be retained.

GRIFITH TANGLES UP THE DEAL FOR PATTEN.

A peculiarly interesting situation has arisen over the Patten-Tannhill deal. When President Taylor of the Red Sox got him in exchange for Glaze, he soon asked for waivers. New York refused and by the refusal got the pitcher, the waiver price being the bench by Griffith and Glaze. The twirler told Griffith he wouldn't stand for it, and unless the fine was taken off he would go home. Griffith, who was in no too pleasant mood, replied: "Go home and stay there until you are ready to pay that fine, and you will not pitch another game until you do."

PITCHER GLAZE FINDED QUILTS NEW YORK TEAM

Pitcher Glaze, who figured in the deal whereby William Hoffman and Fred came to St. Louis and Hemphill, Niles and Glaze joined the Hilltopps, has jumped the team. Glaze was fined \$25 for not covering first base in the game against the Browns.

He was ordered to the bench by Griffith and fined. The twirler told Griffith he wouldn't stand for it, and unless the fine was taken off he would go home. Griffith, who was in no too pleasant mood, replied: "Go home and stay there until you are ready to pay that fine, and you will not pitch another game until you do."

WITH NECK BROKEN PLAYED BASE-BALL.  
Punxsutawney, Pa., June 24.—With his neck broken and his head swinging from side to side, Frederick Lockard, twenty years old, walked from the baseball diamond to the grandstand and sat on a seat several minutes before he fell into unconsciousness.

None of his companions was aware of his probable fall until he was taken to a hospital here. Lockard, who was playing in a game of the City League yesterday afternoon, second baseman Perry Lock caught the ball. Dock fell on his knee over the base catching Lockard's head as the latter slid in. It is thought that the injured man saved kept still after the accident, he could have been saved as the spinal cord was unharmed when the spine snapped. His walking to the grandstand caused the broken bones to sever the cord.

MIKE "TWIN" OFFERED MATCH

Wire From New York Wants to Put Him Against Willie Lewis—Cambridge Boxer Gave Another Exhibition Last Night

Mike "Twin" Sullivan, who is in the city, received a wire last night from New York offering him a match with Willie Lewis for a \$1,500 purse. The proposition in its present form is not attractive to the Cambridge boxer, as he wants a guarantee of \$1,000 with a privilege of 30 per cent. of the house receipts. Mike "Twin" Sullivan, who is in the city, received a wire last night from New York offering him a match with Willie Lewis for a \$1,500 purse. The proposition in its present form is not attractive to the Cambridge boxer, as he wants a guarantee of \$1,000 with a privilege of 30 per cent. of the house receipts.

ITS KETCHELL FOR LANGFORD

Colored Boxer is Anxious to Tackle Big Miner—Jimmy Gardner and Whitney.

Boston, June 24.—Sam Langford is very anxious to meet Stanley Ketchell, and has challenged the man who hopes some day to be a cattle king. Ketchell did draw the color line time ago, and may listen to Jim Jeffries and other advisers and stick to that decision.

On Friday night at San Francisco, Jimmy Gardner of Lowell will meet Kyle Whitney, colored and Jimmy Carroll, each bout is booked for fifteen rounds.

San Diego, June 24.—The manager, announces there will be three six-round preliminaries which will make a total of forty-eight rounds. The prize money is \$1,000. The first bout is for the lightweight championship of the Pacific Coast.

The American A. A. sends out word that the Unihol-Murphy bout is for July 28. The St. Alphonsus Athletic Association of Roxbury, on Thursday evening is having a boxing night of unusual attraction.

Already such men as Langford, Donahue, Belmont, Quinn, Mollard, Eddie Murphy, Sly Fox, Young Cabell, Tommie Ravine and Willie Riley have promised to help fill out the programme. Hector McInchey is to be the third man in the ring. The magnificent theatre of the club, which is artificially cooled, seats 1,200 people. The building is located at 80 Smith street, Roxbury, in the rear of the Mission Church.

CONNOLLY KNOCKS OUT MANSFELD.

New York, June 24.—With two well-directed right-hand swings Larry Connolly ended the fighting aspirations of Harry Mansfeld, of Australia, last night in the third round of the star bout at the Bedford. A. C. Mansfeld hails from Australia, the home of Bill Squires, who came here heralded as a world-beater, but who slipped home under cover.

Mansfeld was touted as a coming champion, and when he entered the ring the spectators figured upon seeing a great battle. Their hopes were rudely shattered in the first part of the opening round, for Mansfeld had left all his science back in the States. He tried to put up a good fight, but was unable.

In the first and second rounds Connolly felt out his opponent and had his measure when he bell called them to the centre of the ring for the third. Connolly started after the invader and had him in great distress, and when Mansfeld backed to his corner the Yankee drew back, sent over the double haymaker, and one more swifter after honors in this country went down to defeat.

BURK MAY FIGHT SULLIVAN.

New York, June 24.—Savior Burke will probably meet Tommy Sullivan in the star bout at the Roman A. C. Grand Orchard streets, Friday night. Burke has signified his willingness to meet the Down Easter or any other middleweight. Burke has a victory to his credit over Sullivan but that was a long time ago. Sullivan has been trimming every one he has faced him recently. If the Roman secures this bout it will prove one of the best of the season. Charlie Goodman and "Fighting Bill" Jubilee will meet in the semi-main event.

LONGBOAT IN IRELAND TRAINING

Is in Good Shape and Expects to Make Good Time—Canadian Team Also on Hand.

London, June 24.—The Kilnalloch, Ireland correspondent of the Canadian Associated Press wires to say that Longboat has landed in the best of condition and has got down to active work already. He was not seasick on the voyage over and is feeling fine and fit. Flanagan has changed his mind about allowing Longboat to be handled by the Canadian Olympic management, and will train the Indian himself. This morning Longboat made his first trial since he landed over a three mile road course. He was delighted with the roads and it is expected, will make some important times within the next two weeks.

Mr. P. E. Fisher, the secretary of the Amateur Athletic Association informed the Canadian Associated Press correspondent today that the association had not received any objections to Longboat's entry and that before the A. A. A. could notice any objection, as such, they must be in the shape of specific charges.

Mr. Fisher knows nothing with regard to the rumor emanating from New York sources that Longboat's entry had been refused. The rumors had been a great surprise to him.

Lord Desborough, the chairman of the Olympic Council, speaking to the Canadian Associated Press stated that he had heard nothing with regard to the refusal of the Longboat entry. He believed that there had been some trouble across the water but, however, he had no wish to create trouble in England, and in fact, he had received no objections to Longboat's entry.

The Canadian team arrived here Monday after a pleasant voyage. Will Sherring, the winner of the last Marathon at Athens, who is here with the Canadians, was stated today that he did not think the Canadians would be affected by the climate and felt certain that all the team would give a good account of themselves.

THREE FROM YANKEE TEAM FOR OLYMPICS

Business Prevents Dray, Rowe and Whitman From Making Trip.

Boston, June 24.—J. D. Whitman, of Pennsylvania; W. R. Dray, of Yale, and A. Rowe, of Michigan, will not go to London with the American team, which sails next Saturday. The official announcement was made Monday. It was the announced that the three supplemental list would be substituted.

Dray announced some time ago that he could not go, owing to pressing business engagements. He was entered in the pole vault and was looked upon to even beat his great record of 12 feet 9.34 inches. Whitman, who was entered in the 100-meter and 200-meter dashes and the 1,000-meter race, found it impossible to make the trip, owing to business.

Rowe expects to pass the medical examination in a few days, and will start in to practice his profession with the team. He was entered in the 1,500-meter, the steeple-chase, the five-mile and the three-mile races. All three athletes were sure point winners, and their absence will weaken the American team to quite an extent.

At a conference of the American committee it was decided not to take any men on the supplemental list. These men were named in the list, but on account of expense, and it is likely that several will make the trip.

ISBELL TO REJOIN THE WHITE SOX TEAM AT ONCE.

Chicago, Ill., June 23.—Frank Isbell is coming to Chicago to rejoin the White Sox. It is reported that Isbell was held out of the team by the Cubs, but was offered by Comiskey. This was quickly patched up, and "Tip" O'Neill is authority for the statement that it was not a difference in salary, but because Isbell wanted to raise some young bats similar to those with which he made the hits in the world's series with the Cubs.

"Isbell will go in at once," said Comiskey. "He ought to be in fine shape, since he has been pulling weeds on the Wichita farm so it would grow faster. He has been playing regularly and there is nothing to it but Isbell in his old-time form. He will help any? Well, wait and see."

JOHN L. TO SPEAK AT ST. ALPHONSUS SHOW.

As an added attraction to the already fine array of talent to the committee in charge of the show at the St. Alphonsus Association next Thursday evening have secured the promise of John L. Sullivan to appear. John L. will be there with all his old-time snap and vigor and tell in his characteristic way what he thinks of the boxing game past and present.

In addition to the list announced yesterday Kid Goodman and Young Schneider are to box three rounds, while Sam Langford and Donahue are to mix it up for six.

The clubhouse is situated at 80 Smith street, Roxbury, in the rear of the Mission Church. The show starts at 7.30 sharp. On this evening the Boston American team will be the guests of the club.

School Inspector Geo. W. Meseroux, of Duxbury, is registered at the Dufferin.

Col. H. H. McLean returned to the city on the Pacific express last evening.

Miss Jean Brown left last evening to spend the school vacation in England.

HE HAS MADE A BRILLIANT RECORD

Dr. Earl G. Bill, who is Ald. Vanwart's Ton-in-law and a Wolfville Man.

At the commencement exercises yesterday at Yale University, New Haven, Conn. Gordon Bill, of Wolfville, N. S., was given the degree of Ph.D. in mathematics. Dr. Bill is now twenty-four years of age and his career as a student has been most successful and brilliant. At seventeen he took his B.A. at Acadia University, graduating with honors in mathematics. He then spent a year at the Massachusetts Institute of Technology, and then a year in the West, with an engineering party of the Canadian Pacific Railway. After this he went to Yale University to pursue his studies in mathematics. In 1907 he received the degree of B.A. and M.A. with honors in mathematics. In 1907 he took the De Forest prize of \$400 in mathematics.

This year he has been teaching in the university, and writing his Ph.D. thesis. Next year Dr. Bill has a permanent instructorship at Yale, and is to give lectures in two graduate schools of Yale University. His Ph.D. thesis will be published this summer in the Transactions of the American Mathematical Society. He proposes teaching a couple of years or so at Yale and then expects to go to Germany and Italy and take up advanced work in geometry.

As a teacher, instructor and tutor at Yale, Mr. Bill has had a most successful career. He has been successful in the classroom have been commented on most flatteringly by the Yale faculty.

Dr. Bill, a native of Wolfville, collector of customs at Wolfville, and is a grandnephew of the late Rev. I. E. Bill, D.D., who represented the city of Wolfville as a member of the House of Commons.

SCOTTISH STEAM TRAWLER WILL FISH IN ST. LAWRENCE

Canoe, N. S., June 24 (Special).—After a very rough passage, extending over fifteen days, the steam trawler "Wren," Capt. John Smith, arrived at Canoe, N. S., yesterday afternoon. She has brought from Scotland a picked crew of men who are familiar with steam trawling and will probably make the most of the fishing grounds in St. Lawrence waters. Local fishermen do not look with favor on the introduction of this mode of fishing, fearing that it may interfere with the hook and line method.

MAY HOLD CONFERENCES ON WESTFIELD GROUNDS

Rev. James Crisp, president of the N. B. and P. E. I. Methodist Conference, arrived home yesterday from Moncton, where he had been attending the annual sessions of the conference. Among the matters transacted, Mr. Crisp said last evening, was the appointment of a committee to inspect the Methodist camp grounds near Westfield to see as to their suitability as a place for holding the annual sessions of the conference. In case this were decided favorably, the idea would be to build a tabernacle there for the meetings.

Rev. Dr. Sutherland's Jubilee address in Moncton, Tuesday evening, very much delighted a large audience. It was brimful of incidents and memories of the early years of his life, and was given in a personal and in church and state. The chairman in putting the motion for a vote of thanks to "all in favor of this address" said that a vote of thanks be given to Dr. Sutherland for his wonderful address will please rise, and the whole audience instantly rose. It was an address long to be remembered by all present.

HE SAID YES.

Genevieve—How did the duke act when you made your leap-year proposal?  
Geordie—He acted as if he had got down to his last dollar.

A. B. Teakles, of Sussex, was registered at the Victoria yesterday.

SIR HIBBERT FULL OF HOPE FOR PARTY

He Writes to Pictou Conservatives That He has Full Confidence in the Election Results.

Halifax, N. S., June 24.—Sir C. H. Tupper has addressed the following letter to the members of the Pictou Conservative Club:  
"Gentlemen,—It is with unfeigned regret I have, for personal reasons, to tender my resignation as a candidate at the next general election for the county of Pictou. In fact, I find it is absolutely impossible to take any part in the next campaign. Without at present entering into particular reasons which render this course imperative, I wish it to be distinctly understood that my retirement is not due to any lack of confidence in my leader, Mr. Borden, his policy or in the success in the campaign. On the contrary, I confidently believe that the Conservative will triumph throughout Canada. This I have not the slightest doubt, and favorable indications, happily, increase daily."

"In retiring from public life I can assure you that I fully realize the disappointment of my true and tried friends, who were ready to welcome me back to the county of Pictou, and to my native province. Knowing me, as they do, I hope they will believe the reasons for the course I am taking are insuperable."

"I sincerely trust that this announcement is given in sufficient time before the general elections, to enable my successor in the candidature to go into the field without handicap, and I sincerely hope and fully believe that the candidature upon whomsoever the choice of the convention may fall, will be able to redeem the county of Pictou and bring it into line with the constituencies already won by the Conservatives, and those yet to be won back to the support of the Conservative cause."

GRADUATES RECEIVED BY ALUMNAE SOCIETIES

The annual reunions of the St. Vincent's and the High School alumnae societies were held last evening and both functions were very enjoyable.

The members of St. Vincent's gathered in White's restaurant where a tempting repast was partaken of and a round of toasts and addresses, interspersed with musical selections, was provided. The president of the society, Miss Elizabeth McInerney, presided, and about eighty members were present including this year's graduating class, whose members were received into the society.

The toast list was as follows:—The King, responded to with musical honors.  
Address of welcome by the president, and responded to by Miss Ellen Warner on behalf of the graduates.  
Selection by the Cecilian Orchestra.  
Vocal Solo—Miss Florence O'Regan.  
Reading—Miss Agnes Scully.  
The gathering was brought to a close by the singing of Auld Lang Syne.

The high school graduating classes were entertained by the alumnae in the exhibition hall last evening and their names placed on the roll of membership. During the evening a pretty little play entitled Flower of Yeddo was presented with the following cast: Maudie, Miss Maud Mager; Sainara, Miss Constance Sturdee; Daiphon, Miss Hazel Smith; Keamy, Miss Beatrice Skinner. The sketch was well put on and well acted, and was received with much applause. At the close refreshments were served.

Judge Landry arrived in the city on the Pacific express yesterday and will go to Fredericton today for a meeting of the Central Railway committee.

TRAMP ROMANCES

"Oh, yes, we have romances in our lives," said the tramp on the park bench. "There is always something to spoil 'em. I had my last one last fall. I was pegging along a Rhode Island highway, thinking more of a good feed than romance, when a couple of wearies ahead of me turned into a farmhouse. I turned in as well when I came along, and I walked into the kitchen just as they had locked a girl up in a closet and were about to go through the house. They invited me to take a hand in their game, but I took two in my own. They made it interesting for me for three or four minutes, but the average weary is no boxer. He doesn't like to get into a row of straight punches. I had 'em both down when the farmer came out the field and with a released and the fellows sent off to jail."

"Well, curran jam, big red apples and mince pies were none too good for me."

for the next week. The daughter was a schoolmarm, about 20 years of age, and I had won her romantic heart ere three days had passed. I think the old man would have sanctioned the match, but he didn't take me right. On the fourth day of my stay he took me out and showed me a 10-acre lot of the stoniest ground I ever saw in my life, and intimated that I might start in plowing next morning. It was too much. That night I left the house by way of a window, and dashed found me seven miles away. I would have helped gather apples or hauled corn, but when it came to plowing among boulders as big as barrels running, and I followed close at her heels."

JOE KERR.

They quarreled and he goes unskilled To work with clouded face. She was his partner playing whist. And twice she trumped his ace.

NO CHANCE.  
Mr. B.—Don't ask me to dress for another party this summer. It's too hot.  
Mrs. B.—But No 8 I sit within 10 feet of that merry widow hat of yours!

AND THE THE SHIP ROLLED  
"How shameful!"  
"And every time she rolled I screamed."  
"Poor lamb!"  
"And every time I screamed Harry came running and kissed me and said he would kiss me three or four times."  
"Yes, I think so. And then Harry kissed me because the rolling had stopped and we got somewhere and went ashore, and he smoothed my hair and kissed me some more, and oh, what a delightful time I have had!"  
"And will Harry be here soon?" asked the mother.  
"In a very few minutes, and you'll hear me scream and see him kiss me, and mamma, dear, the sweet, noble fellow has almost promised that you are to live with us the rest of your days. That is, he said if you were a good cook he'd as soon have you as anyone, and—and—"
