## ARREST THREE IN SUNBURY ON ROBBERY CHARGE

(Fredericton Gleaner.)

Charged with complicity in several robberies and having "the goods on them" from their latest break, three young men said to belong to Newcastle were arrested last evening in Sunbury county.

The trio, giving their names as Frank O'Brien, aged fourteen; George Piusi, aged seventeen, and John Hall, aged seventeen, spent last night in the local police station and this morning were taken to Oromocto to appear before Magistrate Kimball, charged with breaking into the office of the Coburn Lumber Company at Ripples, Sunbury county.

A short time ago the trio are said to have been implicated in a break at Newcastle with several others. Their companions were sent to the penitentiary while this trio were given one month in jail and two years' suspended sentence. On being released they are said to have broken into a store at Nelson, near Newcastle, and then to have come to Fredericton. Here they say they met a man who offered them employment at Ripples, but they had only been there a short time when the Coburn Company's office was robbed, several postal notes, two revolvers, a watch, some change and Victory bonds worth \$200 being stolen.

Soon after the robbery the trio disappeared from Ripples and next were heard of at the residence of a colored family, some miles from Ripples, where they asked to be put up for the night.

The two elder members of the party there fell out with young O'Brien, who was later arrested, and yesterday E. M. Coburn had two special constables sworn in and started with them for Fredericton on yesterday afternoon's Fredericton and Grand Lake Coal and Railway train. At Colter's siding the train stopped long enough for the special constables to arrest the other two men and then they continued along to this city, where Chief
