

FORMER NURSE GAINES 18 POUNDS

After Ten Years Hospital Experience Mrs. Brooker Says "Tanlac Has No Equal in Treatment of Troubles Like Mine."

Mrs. M. Brooker, residing at 129 Burrows street, Winnipeg, who spent ten years nursing in one of the Brighton hospitals in Sussex, England, comes forward with her unqualified endorsement of Tanlac.

Mrs. Brooker's statement, coming as it does from one of such wide experience in relieving suffering, will be of interest to thousands throughout Canada who are seeking relief. In discussing Tanlac, which has been so beneficial to her, Mrs. Brooker said:

"Tanlac has put me in shape to where I have actually gained eighteen pounds in weight and since using the medicine with such wonderful results myself I feel that I should make a statement for the benefit of others."

"My health had been gradually giving way for about six years. During the past five years, especially, I have suffered from a nervous condition that almost drove me wild. I was so nervous that the least noise would annoy me. I could not bear for the children to call me. I could not sleep and had headaches something awful. I lost my appetite and got to where I never ate but one meal a day, that being the evening meal. The rest of the time I just could not eat, and as a result I lost strength continually and was getting dreadfully thin."

"Finally I was induced by my next door neighbor, who had used Tanlac to try the medicine myself and now I can recommend it to everyone for it has certainly done me a world of good. I can say from my long experience as hospital nurse that Tanlac is a medicine which I have never seen its equal in the treatment of troubles like I had. My appetite is fine now and I thoroughly enjoy every meal and as I said I have gained eighteen pounds in weight, which shows how well my food agrees with me. I am not nervous any more and have had only one slight headache since I began taking Tanlac. I sleep soundly all night long and get up in the morning feeling rested and refreshed. In fact, I am feeling like a different person and so much stronger that I can do a good day's work without any trouble. Everyone ought to know about a medicine that will do such things for suffering people and I am glad of the opportunity to make this statement."

Tanlac is sold in St. John by Ross Drug Company and F. W. Moore under the personal direction of a special Tanlac representative. (Adv.)

SUCCESS OF CONGRESS SEEMS TO BE CERTAIN

Many Communications to Managers of Industrial Convention in Calgary

Calgary, July 14.—What is looked upon as one of the most certain indications of the great success of the forthcoming industrial congress to be held in Alberta during the week of August 11-16, with principal and important sessions in Calgary on August 13 and 14, is the large number of communications already received at congress headquarters in the Palliser hotel from intending visitors and chambers of commerce of the United States.

More than 150 chambers of commerce of the republic have written expressing their desire to assist in the good work of the congress in every way possible and many are arranging to send delegates. Such communications come chiefly from western cities, whose industrial problem is much the same as those of the municipalities of western Canada, but many come from the larger cities of the east, such as New York, Boston, Buffalo, Philadelphia and Cleveland.

An interesting note will be one instance is a letter received from the secretary of the chamber of commerce at Bath, Maine, in which it is explained that the organization might arrange to launch a ship in honor of the occasion.

In every letter so far received there is nothing but an expression of the warmest feeling toward Canada and the project mentioned, and the publicity given in connection with it of a national nature.

BRITISH FLEET NOT TO VISIT THE U. S. SOON

London, July 14.—(By Canadian Associated Press)—H. M. S. Renown, on which the Prince of Wales will make his tour to Canada, has returned to England after an Atlantic cruise in support of the R-38. In view of a suggestion that the British fleet is going to the United States it is said that the Renown and a light cruiser escort are the only British naval vessels likely to visit any American harbor for some time.

AGAIN RUMORED THAT SIR DOUGLAS HAZEN WILL RE-ENTER POLITICS

There has been a revival of the rumor that Sir J. D. Hazen will resign the chief justiceship of New Brunswick. The former rumor connected his name with the leadership of the Conservatives in this province. The latest states him as successor to Hon. Frank B. Carvell in the Borden government.

CELEBRATION OF JULY TWELFTH

Sir Edward Carson Sounds Warning Note in Belfast—Orangemen of New Brunswick Raising \$10,000 for Orphanage at Thirty Celebrations

The celebration of July Twelfth, Orangemen's Day, in Belfast, Ireland, was on a large scale this year. Sir Edward Carson, who was the chief speaker, spoke plainly of the Sinn Féin situation and protested against the interference of the American mission which, he said, had created more difficulties for the British government than they ever had before, had encouraged lawlessness and the murder of innocent policemen, and wanted good feeling between the United States and Great Britain, but said that Great Britain would brook no interference with her affairs by any other country.

In Toronto.

Toronto, July 12.—Orange Toronto celebrated the "Glorious Twelfth" with considerably more enthusiasm than has been shown during the years darkened by war. Early estimates were that from 5,000 to 12,000 men and women took part in the parade to Exhibition Park, where the speakers included Lieutenant-General Sir Sam Hughes, in addition to local Orange leaders.

New Brunswick Celebrates.

Throughout the province of New Brunswick thirty celebrations of the Glorious Twelfth were held on Saturday, all taking the form of efforts to raise money for the Provincial Protestant Orphanage.

The local Orangemen held a picnic at The Ferns. More than 2,000 attended and the proceeds were in excess of \$200. The St. John County, where the parade was held, St. Mary's band provided music, sports and games afforded amusement and refreshment to the thousands of themselves. The committee in charge consisted of E. S. Hennigar, W. M. Campbell, Charles Ward and other members of the local lodges. Among the prize winners were Mrs. Giles, William Johnson, J. W. Tait, J. Holder, J. J. Brown, Craft and Mr. Campbell. The picnic will be continued this evening.

At Lorneville a picnic was held in the morning, a dance in the afternoon and a dance in the evening. The arrangements were under the auspices of the St. John County, west Lodge, and the Royal Black Knights and the Seaside Chapter also assisted. In addition to the Lorneville lodges, there were many representatives from Musquodchuic, Upper Harbor, Fairville and other places. Addresses were delivered by John Sweet, R. J. Anderson and William Giddings.

The sum of \$500 was realized at the picnic at Salmon River, which was in charge of a committee including W. Armstrong, Samuel Daley and George Black.

The Orangemen of Westmorland county celebrated the anniversary of the Battle of the Boyne with a big day at Salisbury, where more than 2,000 gathered for the occasion. After the parade, addresses were delivered by County Master W. J. Matthews, Mayor Hanson and Price and Leonard Gay.

In York county celebrations were held at Durham Bridge and Tracy, the Sunburg lodges joining in the celebration at the latter place. The lodges in the vicinity of Fredericton attended divine service in St. Mary's church, Devon, last night.

MR. FIELDING AND THE LIBERAL LEADERSHIP

Montreal, July 14.—An Ottawa dispatch to the Gazette says:—"The Fielding boom for the Liberal leadership has already been launched and is making considerable headway. Alarmed at the effect of the attitude of the latter place, the Liberal Unionists, the more moderate Liberals are seeking to prevent a similar occurrence at the federal meeting. They are supporting Hon. W. S. Fielding for the leadership. He was a very moderate Unionist and has preserved his independence. Of all the aspirants, he alone has a national reputation and except probably to the National wing of the Liberal party in Quebec, is more generally acceptable throughout Canada. If nominated as Liberal leader, he will be shouldering a burden at an age when other public men are beginning to write their political reminiscences."

INCREASED WAGES FOR SEAMEN

Washington, July 14.—Wage increases approximating ten per cent. were granted Saturday to employees of vessels operating from Atlantic and Gulf Ports, by the shipping board. The advance was expected to end the strike of marine engineers, firemen and oilers.

New York, July 14.—August Brown, secretary of the International Seamen's Association last night declared the shipping board's agreement to increase wages ten per cent would not settle the strike. The eight-hour day was a more important question, it is said, and as the seamen will insist on preference for union men in employment.

SIR GEORGE AND LADY PERLEY ON WAY HOME

London, July 14.—(By Canadian Associated Press)—Sir George and Lady Perley sailed on Saturday for Canada on the Aquitania from Southampton.

Rev. M. Kelley a member of the National Union of the Congregational Church of Canada, preached last night in the Congregational church, Union street. One purpose of his visit here is in connection with the repairing of the church so that the services there may be continued.

FINE OUTING FOR HAMPTON MEN

I. O. D. E. Gave Soldiers a Pleasant Time at Rethays Beach on Saturday

Hampton Court Chapter, I. O. D. E., of Hampton gave the delightful treat to the returned soldiers of that place on Saturday afternoon on the shore at Rethays. About eighty men enlisted from Hampton and vicinity. Among the many societies formed in Hampton for contribution of comforts to the returned soldiers was the Hampton Court Chapter of the I. O. D. E., organized early in 1916 by ladies from the various St. John chapters. The ladies in Hampton became very much interested and in a short time the chapter was flourishing. For Saturday's outing it was decided to provide transportation and take the men to Rethays on a picnic. Under the direction of Mrs. M. H. Patten, regent, and Miss Harriet Barris, assistant, and the other members of the chapter and many citizens who lent their cars, about sixty of the returned men, along with many of the members of the chapter, motored to Rethays, where field sports, swimming races and other forms of amusement were held. After the sports a sumptuous repast was served, after which followed speeches, which included a report of thanks presented by the regent to those who lent their cars.

Great interest in the affair was taken by the people. E. A. Schenck, regent, and Miss Harriet Barris, assistant, acted as referee and judges of the sports. Among those present were Rev. R. J. Lawrence, former chaplain of the 104th. The following is a record of the sports:
100 yards dash—John Smith, first; J. B. Brown, second.
Three-legged race—Leon Seely and Charles Burgess, first; P. J. Brewster and J. Brand, second.
Sack race—J. Brand, first; J. B. Brown, second.
220 yards dash—J. B. Brown, first; J. Adams, second.
Polo race—Charles Burgess, first; J. Brand, second.
Tug-of-war—Adams, first; Rev. C. Gordon Lawrence, second.
Swimming race—J. Adams, first; J. B. Brown, second.
Doughnut eating race—W. Lawrence, first; Rev. C. Gordon Lawrence, second.
Tug-of-war—Won by a team captained by Charles J. Adams.

Second and third prizes were provided by the I. O. D. E. for each event. A very enjoyable time was spent, and the returned men could not praise the Hampton Court Chapter of the I. O. D. E. too highly.

CURED OF DYSPEPSIA BY USING BURDOCK BLOOD BITTERS

The symptoms of dyspepsia are so numerous and diversified in different individuals that probably no description could exactly represent them as they occur in any given case, but a few of the most prominent are a rising and souring of food, pain, flatulence and distension of the abdomen, a sensation of discomfort after every meal, which is sometimes followed by sickness and vomiting.

To get rid of dyspepsia a careful arrangement of the diet is necessary, and due time must be given for the digestion of the meal.

You will find that Burdock Blood Bitters will help with this disposition. It does this by toning up the stomach in such a way that the dyspepsia soon disappears.

Mr. Robt. Baldwin, Winnipeg, Alta., writes: "I cannot speak too highly of Burdock Blood Bitters for curing dyspepsia, of which I have been a sufferer for years. I have tried a good many doctors and proprietary medicines, but none did me any good. I would try something different. I got a bottle of B. B. B. from our local store, and it was about the only remedy I kept, and I can certainly say that I was more pleased with the results, as I got better right away. I will always recommend it to other sufferers."

THIS MOTHER AND DAUGHTER

Both Made Well by Lydia E. Pinkham's Vegetable Compound.

Steele, Ala.—"During the Change of Life I had hot flashes, was nervous, run down, and had sick headaches for two or three days at a time. I took Lydia E. Pinkham's Vegetable Compound, and I am much stronger and better in every way than I was. My daughter's health broke down last June from teaching school without a rest, and she has taken Lydia E. Pinkham's Vegetable Compound, and Blood Medicine with good results. She is much better and teaching now. I give your medicine the praise. You are welcome to this letter for the benefit of other suffering women."—Mrs. F. A. GAINES, R. R. No. 1, Steele, Ala.

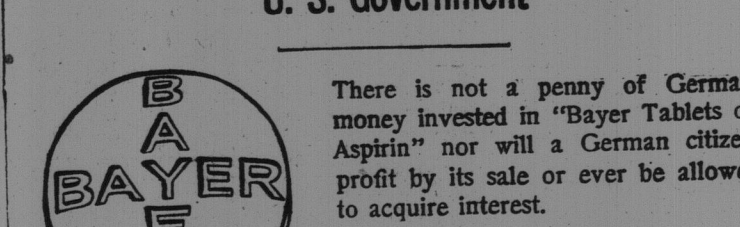

Women who suffer as Mrs. Gaines did should not hesitate to give this famous Compound and Blood Medicine a trial, as the evidence that is constantly being published proves beyond question that this grand old remedy has relieved much suffering among women.

NOT ASPIRIN WITHOUT THE "BAYER CROSS"

Any Tablet Offered as Aspirin and Not Stamped with the "Bayer Cross" is Not Aspirin at All!

"Bayer" Now Made in Canada—No German Interest—All Rights Purchased from U. S. Government

There is not a penny of German money invested in "Bayer Tablets of Aspirin" nor will a German citizen profit by its sale or ever be allowed to acquire interest.

The original, world-famous "Bayer Tablets of Aspirin" is now made in Canada and can be had at your druggist's in handy packages.

Unless you see the "Bayer Cross" on package and on tablets you are not getting Aspirin at all.

During the war, acid imitations were sold as Aspirin in pill boxes and various other containers. But there is no substitute for genuine "Bayer Tablets of Aspirin" which have been proved safe by millions for Pain, Headache, Toothache, Earache, Rheumatism, Lumbago, Colds, Grippe, Joint Pains, Neuritis.

Proper and safe directions are in every "Bayer Package."

Don't accept Aspirin in a pill box. Buy a "Bayer Package!"

Boxes of 12 tablets—Bottles of 24—Bottles of 100—Also Capsules.

Aspirin is the trade mark (registered in Canada) of Bayer Manufacturing of Monrovia, California. To avoid the public aptitudes, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

IS DOING A GOOD WORK FOR ST. JOHN

Varied Duties of the Board of Trade—The Midsummer Journal

The midsummer edition of the Board of Trade Journal, which has just been issued, contains a report on business and farming conditions; information respecting the harbor commission scheme; a concise statement of the varied natural resources of the province; a reprint of Blais Carman's verse on "The Ships of St. John" coupled with a picture of St. John harbor, showing the wharves lined with sailing ships, together with other valuable publicity material.

Accompanying the Journal is an illustrated circular, published from the secretary's office, giving figures relative to the export and import trade of the port, its industrial activities and other matters of local interest. A copy of this circular was mailed to each member of parliament for the recent vote on harbor commission was taken. Several hundred copies have also been forwarded to the general of the province in London for circulation throughout the United Kingdom. Hundreds of copies are also mailed direct from the board of trade office to the principal chambers of commerce in Canada and the United States, also to prominent industrial and commercial corporations. That St. John is so widely known as "the second ocean port of Canada" is due in large measure to the publicity propaganda that has been carried on by the local board of trade.

Through its membership committee, which George L. Warwick is the energetic chairman, a very successful membership campaign is now being conducted by the members of the council, as a result of which the roll of members to the membership has been received.

In discussing the activities of the board of trade, a reporter of this paper, the secretary said that in addition to its publicity propaganda, the board maintains a reading room, which has been very active in pressing for the nationalization and development of the harbor; in endeavoring to solve the housing problem; in co-operation with the city council, the Trades and Labor Council and the war veterans; in urging upon the civic authorities the need for better streets; in supporting the provincial authorities in providing improved highways; in encouraging shipbuilding and other industrial development; in maintaining the standard of the bay freight service; in improving inland railroads; in co-operating with the Tourist Association; in mediating in labor disputes; in supporting various forms of patriotic endeavor; in welcoming home the returned soldiers; in entertaining distinguished visitors and in numerous other respects. Both during the war and since, its rooms and secretarial staff have been at the free disposal of all forms of patriotic and community endeavor.

In addition to the activities set forth the board maintains a reading room, which is kept well supplied and up to date.

MORNING NEWS OVER THE WIRES

The French official note authorizing the resumption of commercial relations with Germany was issued on Saturday and is effective from the same day. Various forms of patriotic endeavor are required for certain classes of business.

The inter-allied committee appointed to discuss the question of commemorating the war with a permanent monument will recommend the foundation in Belgium of an international city to be known as "Gieopolis." The plans call for a site in a sector of the fighting front which would be neutralized and which would become the permanent seat of the League of Nations.

Charles Drucker, one of the two men held in connection with the alleged theft of \$125,000 from Michael Connolly of Montreal on a wire-tapping scheme, has been released on \$30,000 cash bail. Drucker said another \$80,000 was coming to secure the release of his companion, William Jarvis.

While a dance was going on in the house of Hanna Beers, farmer, of Beersville, Kent county, on Friday night, five broke out in one of his barns and soon spread to two others near by. Four horses were burned to death. The loss is reckoned at about seven or eight thousand dollars with no insurance.

Little Ella, three-year-old daughter of Mr. and Mrs. H. A. Martin of Rexton, N. B., was badly burned about the head and neck when she spilled some hot tea over herself.

The fifteen-month-old child of Mr. and Mrs. Givran Presner, Elgin, N. B., died on Wednesday last within half an hour of drinking poisonous acid which it had found in the house in a bottle. The child's father had been using it for soldering purposes. The parents were not at home at the time.

On Saturday night a man made an attempt to rifle the till of the Star Cafe, King square, but his boldness was unsuccessful. On the arrival of a waiter who had been in the kitchen he leaped over the counter and got away.
