DEBS FOUND GUILTY ON THREE OF CHARGES

Cleveland, Ohio, Sept. 13.—Eugene V. Debs, charged with violating the Espionage Act, was found guilty by a federal jury today.

Talking to newspapermen after the verdict, Debs said: "It is all right. I have no complaint to make. It will come out all right in God's good time."

Of the original ten counts of the indictment, but four remained when the jury retired to consider the evidence. The verdict found him guilty of three, and not guilty of one. He was found guilty of attempting to incite insubordination, disloyalty, etc., in the military and naval forces; attempting to obstruct recruiting and uttering language tending to incite, provoke and encourage resistance to the United States, and to promote the cause of the enemy. The one on which he was adjudged innocent charged that he opposed the cause of the United States.

Judge's Charge Fails.

Counsel for both sides said that they

considered Judge Westenhaver's instructions fair. They were exhaustive and couched in simple language and delivered in a kindly manner, required one and a half hours.

ANOTHER N. B. UNIT AT THE FRONT

The legitimate grievance of New Brunswick that the number of the troops contributed by that province were not adequately represented by distinctively New Brunswick units in the field, because its drafts largely went to reinforcing western battalions, is now in process of redress, as a battalion hitherto recognized as Manitoban though with a preponderance of "Blue Nooses" is now set aside for that province. All New Brunswick drafts will go there and in process of time the Manitoba members will be drafted out into other Manitoba battalions.
