# NEWS OF THE DISTRICT

## DORCHESTER.

July 6.—Teachers and officers of the Methodist Sunday School recently presented Mrs. T. Kirkpatrick, who expects to move to Toronto, with a handsome cut-glass berry bowl and an Oriental hearth rug. Albert Hodder read the address, and Mrs. W. Lane made the presentation.

Proceeds of St. Peter's Anglican church garden party amounted to over \$150.

Mrs. Malcolm Elliott and her two children left Monday for Glencoe, where they will spend two months.

Mrs. Roy Cobhill, of Montreal, is the guest of her sister, Mrs. G. W. Patterson.

Mrs. W. Armstrong of Ottawa is holidaying at her home in Dorchester.

Mr. Tilden has given up his charge as pastor of the Nilestown Methodist church, and will spend the summer at his home in Leamington. In the fall he will attend college in Montreal. Mr. Everingham of London is succeeding him in his work here.

Miss Myrtle Foreman and Miss Book, of Grimsby are visiting with the former's grandparents, Mr. and Mrs. J. Wilson.

Mrs. Weeks, of Glencoe, is spending a couple of weeks with her daughter Mrs. (Rev.) Kerr.

It is usually safe to say that when a child is pale, sickly, peevish and restless, the cause is worms. These parasites range the stomach and intestines, causing serious disorders of the digestion and preventing the infant from deriving sustenance from food. Miller's Worm Powders, by destroying the worms, corrects these faults of the digestion and serves to restore the organs to healthy action.

## PIPER'S CORNERS

June 30.—A picnic was held here on the public school grounds on Monday afternoon. There was a fair attendance of visitors present, the pupils of Follen's Corners being present by invitation. The pupils of the school gave an excellent program of recitations, dialogues and songs which were greatly enjoyed by the visitors.

At the close of the program the pupils of the school called their teacher, Miss Margaret Beattie to the platform and presented to her a handsome locket and chain, accompanied by an address in which they expressed their esteem and affection towards her, and their regret that she had resigned her position as teacher of their school.

A very pleasant afternoon was spent in races and other games and in partaking of a very tempting luncheon which had been prepared by the ladies of the section.

**A Sure Corrective of Flatulency.**—When the undigested food lies in the stomach it throws off gases causing pains and oppression in the stomachic region. The belching or eructation of these gases is offensive and the only way to prevent them is to restore the stomach to proper action. Parmelee's Vegetable Pills will do this. Simple directions go with each packet and a course of them taken systematically is certain to effect a cure.

## DICKSON'S CORNERS

June 30.—A very successful garden party was held on the school grounds on Friday evening under the auspices of the Ladies' Aid Society. There was a large gathering and the ladies were kept very busy at the tables where strawberries and other dainties were served in abundance. The booth erected on the grounds was well patronized. The pipers' band from Ingersoll was present and furnished an abundance of music. The proceeds from the gate receipts and the booth amounted to \$115.

The public school closed on Tuesday with its annual picnic. Most of the parents and all the young people of the section were present. There were also a considerable number from the neighboring sections. A short program of songs and recitations given by the pupils of the school was greatly enjoyed by those present. The tables which had been erected on the grounds were spread with all sorts of tempting delicacies; swings erected in the adjoining woods and games of baseball and football gave an opportunity to all to enjoy themselves.

## WON AT BANNER.

A very interesting game of baseball was played at Banner on Wednesday night between the "Outlaws" of Ingersoll, and the Banner team, which was won by the "Outlaws" by the close score of 5 to 4. Batteries: "Outlaws"—Book, Houghton, McMillan and English; Banner—Lovell and Irwin.

## DEATH AT SALFORD OF MRS. WM. NAGLE

Occurred at Early Hour This Morning Under Tragic Circumstances.

The death of Mrs. William Nagle, for many years a most respected resident of Salford, occurred this morning under tragic circumstances that cast a gloom over the neighborhood. At an early hour her dead body was found floating in a well a short distance from the house. The discovery was made by Mr. Nagle himself, who had gone to look for his wife.

From what can be learned Mrs. Nagle got up between four and five o'clock. When Mr. Nagle arose some time afterwards he did not see his wife in the house and went out to look for her.

A doctor was called soon after the body was found, and later Coroner Dr. Williams of Ingersoll, who did not deem an inquest necessary. The late Mrs. Nagle, besides the husband, is survived by three daughters and one son.

## MANY ATTENDED RAISING.

The frame work of a large modern barn was placed in position on the farm of Mr. I. J. Davis, West Oxford, on Wednesday of last week. The occasion was one of the big events of

the season in the neighborhood, and it was with the utmost satisfaction to all that the work of the day was concluded without a hitch. One hundred and ten men gathered to help with the work while forty of the women of the district assisted Mrs. Davis. There was a bountiful supply of things that "tickled" the palate and although there was considerable arduous work the occasion was not without a very pleasant side.

The framing of the barn, which will be of metal, was done by Mr. I. J. Davis, and when it is completed it will be one of the finest in the district.

## BABY'S GREAT DANGER DURING HOT WEATHER

More little ones die during the hot weather than at any other time of the year. Diarrhoea, dysentery, cholera infantum and stomach troubles come without warning, and when a medicine is not at hand to give promptly the short delay too frequently means that the child has passed beyond aid. Baby's Own Tablets should always be kept in homes where there are young children. An occasional dose of the Tablets will prevent stomach and bowel troubles, or if the trouble comes suddenly the prompt use of the Tablets will cure the baby. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## FOR THE SOLDIERS.

The Dickson's Corners and Banner Red Cross Society held their regular meeting at Banner on Friday afternoon. A box was packed containing the following articles which have been

made since the Society was organized one month ago: 51 sheets, 48 pillow cases, 69 towels, 66 face cloths, 39 handkerchiefs, 24 night shirts, six suits pyjamas, 13 rolls bandages, 16 pairs socks.

As the need is very great for supplies of this kind and money is an essential article in the procuring of material, the Society have decided to hold a garden party on Wednesday evening, July 14th on the church lawn at Banner. A good program is being arranged and a large crowd is hoped for.

The next regular meeting will be held at Dickson's Corners. The proceeds of the last meeting amounted to \$9.00.

## LIVED IN WOODS

**LIKE WILD MEN**  
St. Thomas, July 6.—Three families, living like wild people, were discovered in the woods at Dorchester, East Elgin, and when visited by the authorities scattered through the woods like partridges, one young girl throwing a few weeks' old infant behind a log in order to escape herself. One family lived under a wagon

box set up on stakes. Others in an old log hut. There was no furniture or bedding of any kind. All were sleeping on the ground. Of food there was only one half of a hard loaf of bread to be seen.

A pleasant day was spent in renewing old acquaintances and in sports, the chief feature of which was a baseball game, taken part in by old and young, the captains of the teams being Messrs. Ernest and Edgar Stoakley of Holbrook.

**For Yours and Mine.**  
Should and acquaintance be forgot  
And never brought to mind.  
Should friends be friends only in name,  
Should not our friendship bind?  
Chorus—  
For Auld Lang Syne, my dears,  
For Auld Lang Syne,  
We're friends and brothers now and e'er,  
I'm yours and you are mine.  
We've dwelt anear, we've wandered far,  
For many a weary year;  
But now we'll all unite once more  
And drink the cup with cheer.  
Then here's to you, and here's to me,  
And here's to yours and mine,  
And to our Country and our King  
We'll drink the toast sublime.
