GENERAL BUSINESS.

CHATHAM RAILWAY

WINTER 1882-3.

O^N and after **MONDAY, DEC. 4TH.,** Trains will run on this Railway, in connection with the Intercolonial Railway, daily, (Sundays excepted) as follows:—

GOING SOUTH

LEAVE NEWCASTLE
0.25 a.m. by regular accommodation for south
1.02 a.m. '' express 3.05 a.m.

ulifax, Mondays, Wednesdays and Fridays. The above Table is made up on I. C. Railway standard time, which is about the time kept

at Chatham.

All the local Trains stop at Nelson Station, both going and returning.

All freight for transportation over this road, if above Fourth (4th) Class, will be taken delivery at the Union Wharf, Chatham, and forwarded free of Truckage, Custom House Entry or other charges. Special attention given to Shipments of Fish.

Tickets for the Chatham Railway are sold at the Junction Station (as well as at the Chatham end the line) and all passengers are requested to procoure them before going on the Cars. Passengers v are not provided with Tickets will be charged extra fare.

MAKE NEW RICH BLOOD,

And will completely change the blood in the entire system in three months. Any person who will take 1 Pill each night from 1 to 12 weeks, may be restored to sound

ealth, if such a thing be possible. For curing Female Complaints these Pills have no

CROUP, ASTHMA, BRONCHITIS.
JOHNSON'S ANODYNE LINIMENT will instantaneously relieve these terrible diseases, and will positively cure nine cases out of ten. Information that will save many lives sent free by mail. Don't delay a moment. Prevention is better than cure.

equal. Physicians use them in their practice. Sold everywhere, or sent by mail for

Golden Ball, Shoe Store

FURNITURE EMPORIUM.

The Golden Ball Boot and Shoe Store is the oldest established in Miravichi. It is now fifteen years since we commenced business exclusively in the above line, and we can now point with pleasure, to hosts of patrons, who have invariably, purchased from us, during that length of time. The reason is plain. We buy entirely from the best manufacturers, consequently our goods give satisfaction. We might purchase cheap, shoddy goods (that are only meant to sell and not to wear) but by pursuint that policy, it would be invessible to retain our customers. The best goods are the cheapenst in the end

SAMPLE ROOMS. For Commercial Men

THE demand for Sample Rooms to a reommodate the commercial travellers being so great, and the supply being inadequate, causing the travellers in some instances to remain three or four days awaiting their turn, has induced the subscriber to build two Sample Rooms, well lighted, aired and warm. Commercial men can depend on obtaining just what they require, being situated in the central part of the business community, namely, corner Main and Wesley Streets, they will be found to be far more suitable, comfortable and convenient. Should a horse and sleigh be required it will be furnished without additional expense. Rooms secured either by letter or telegram. by letter or telegram.

I HAVE RECEIVED INVOICES OF THE FOL-LOWING QUANTITIES

"For some years past considerable trouble has been occasioned in Roman

Sir Charles Tupper

(Toronto Clobe.)
The rumors of Sir Charles Tupper's retake the position of High Commissioner in London are at last confirmed. Sir Charles himself has saved the press a good deal of trouble by publishing part of PHYSICIAN AND SURGEON, his valedictory through the medium of a newspaper interview; the portion missing can easily be supplied by the Cavadian people of all shades of politics. He leaves office distrusted by his own political allies as much as by his opponents. Be made himself necessary to the former

in a sabordinate position, but he knew merit of necessity. No one will for a moment dispute Sir SKIN-DISEASES, making the place in favor of this great medicine. Is not one certificate, however, from an extraction and well-known TUMORS,

TUMORS sertion of what is true. With the exception of his leader, Sir John Macdonald, corrupt public life at its very source, to constitute an effectual remedy, for the cure of Blood Impurities. Sofar as my experience leads me with this remedy, I can testify to its great value in the treatment of all Strumous and Cachectic affections, as Glandullar Enlargements, and landullar Enlargements and landulla Sir Charles Tupper contends that the affairs of public men, but he has waived

all the inputed virtues of Sarsaparilla, and several state of Sarsaparilla, state of Sarsaparilla, state of Sarsaparilla, and several state of Sarsaparilla, state of Sarsaparilla, and several state of Sarsaparilla, state of Sarsaparilla, and several state of Sarsaparilla, state of Sarsaparilla, state of Sarsaparilla, and several state of Sarsaparilla, state of Sarsapari with the Spring Hill coal deposits and the Pictou Railway construction in his trums of the day, will be a great boon to suffering humanity, and its use will be attended with the most satisfactory results. It should be invaluable to persons beyond the reach of medical advice, and will, no doubt, become pepular with Medical men throughout the country.

Respectfully yours,

W. E. RESEV. M. S. which resulted in heavy loss to the coun-

> tractors alone got the benefit. concern, it would be a grand stroke of policy to secure from the country a salary and an official position which would enable bim to do precisely the kind of work his Company want done. To make matters still more comfortable the Government of which he is still a member are proposing to have voted an extra \$180,000 for emigration purposes, every dollar of which he will be in a position to disburse v an eye single to Syndicate interests. wonder, with these facts in everybody's possession, that Sir Charles Tupper deem-

prize to be competed for by Sir Leonard Tilley, Sir Hector Langevin, Mr. Chapleau, and perhaps Mr. Dalton McCarthy, Sir John Macdonald, who stays, and Sir Charles Tupper, who goes, may each say, in the words of the old Bourbon Monarch, "after me the deluge." Notwithstanding the dead weight of his political misdeeds, his party can ill spare Sir Charles Tupper, and were never more in need than just now of the peculiar kind of assistance he was well fitted to render them. He leaves no one behind him who can make even a show of filling his place in debate. keep trade matters all right to inform himof Ministerial work, and Sir John Macmethods of carrying on party intrigues .the political coil and drop into easier and prietors. probably still more lucrative employment.

selves or by others, by acts or in writ selves or by others, by acts or in writings, especially if they were made public, to plot anything whatever against the said university and its succursal, or attack it in any manner whatever." The utmost excitement has been caused by this decree among the faithful, who are about evenly divided in their adherence to the rival institution."

If the doctrine of the Church of Rome,

as above outlined is to prevail, we shall, by and by, have our pill and powder packages labeled according to the orthodoxy or otherwise of the physician who prepares the formulæ. If a student of ne faith may not, without coming under the ban of the church, study under preceptors of another faith why not apply ne rule to apprentices in the trades? oing a little further we will learn to eparate the sheep from the goats in the unctions of citizenship and as a legitimate conclusion adopt a thorough going policy of sectarian isolation. This, to the average christian, presents an isolating aspect irement from Canadian political life to that is repugnant to the precepts of Him who gave us the new Comm 'that ye love one another."

The Tale of a Shirt.

In the course of a confidential conver

sation with a friend who recently had two

new shirts made, we learned incidentally that the style of building shirts had radi cally changed, and that they were being made to button in the front instead of at the back of the neck. The news was so that the leadership was beyond his reach, and has annarently resolved to make a and has apparently resolved to make a showed us the ground plan and front elevation that had been prepared by archi Charles Tupper's claim to the possession of a high order of ability. In that respect he towers above all those who have been sitting by his side for years, shoulder blades in the back was the and to find a match for him one must fashion. We have never felt so much cross to the other side of the House of Commons. He is an energetic adminislike passing a resolution of thanks to the shirtmakers, or a resolution of condolence as they should when the male population he could be turned loose among men who public have nothing to do with the private have suffered for years by his devilish contrivance, it would be well expended that objection by his own reference to his For 14 years the men of this country have affairs. His assertion that he leaves pub- been slaves to this absurd fashion, and mitted that the specific charges he made the button hole, and if he gets the button of corruption in connection with the Pic. in the hole the hole has to be "bushed" ton Railway were untrue. He has been a or a washer put on the button next time. Go through our prisons, and you will find party to the jobbery connected with the Intercolonial claims, and was the chief that the criminals—the bad men—wear instrument in playing into the hands of shirts that button in the back. They favored contractors on Section B and the Yale-Moody Section, by machinations which resulted in heavy loss to the counwhich resulted in heavy loss to the counwhile searching blindly for a button with 377 St. Paul Street, Montrea try. All his protestations cannot prevent people from wondering whether the confrom home mad, and commit crime to get Sir Charles Tupper evidently desires the Pacific Railway contract to be regarded as the great achievement of his life. The inner history of that contract has yet to be written, but the extraordinary nature of the bargain caused a wide-spread beof the bargain caused a wide-spread be-lief that while acting as Minister of Rail-the bosom of a shirt where one's hand may ways he had a sleeping interest in the Syndicate's franchise, and he is quite right in his presentiment that his approaching in his presentiment that his approaching a shirt bosom, but with the old shirt that buttons in the back a man might as well public in that belief. Assuming for a moment that he is a silent partner in the bein a burglar-proof safe with the combination lost as to try and get in. With the old shirt it would be necessary to hire a hand. A man's stomach has been a sealed book for fifteen years with the old boiler-iron shirt-bosom with no port-holes. Occasionly a man's heart aches, and if he could put a hand on it without going around the back way and sneaking in under the arm he could tell by the feeling whether it was unrequited affection that ailed him or rheumatism. With the new shirt an exploring expedition can be sent to the seat of the disease before it is ever ed it necessary to put in a disclaimer in lastingly too late. Men have been wounded, and before they could be turned over and the entrance to their shirt found they His retirement leaves one candidate less for the reversion of the Conservative shirt is a fraud, and the new one is a daisy. have bled to death. The old back-action It may be said by some that the new open-seam shirt will show the world the colour of the undershirt. It might, if one was going to use his shirt bosom for a pillow, but few do that. And even if they did, that is the only way the world can know that a man wears a silk underskirt with a monogram on the front. We hail the new open winter shirt with delight, and are sure the public will when they once get their hands in.

A First-Class Article.
