The Winnipeg Free Press continues to appeal to the Manitoba government to put no obstruction in the way of a settlement of the school question. It says today: Parliament has resolved on its course, and it is for the governon its course, and it is for the govern-ment and people of Manitoba now to consider whether we can afford to hand over to the federal power any portion of the control of our school affairs. The weight of opinion un-doubtedly is that we should neither

(Copyright by Charles Austin Bates). No man has reached the acme of business success. Heights that we do

not dream of will be attained by twentieth century merchants. I am one of those who believe that there is no limit to be certain in any event, that no proposal to eliminate all religious ex-ercises from the schools, thus making Th's is the frame of mind one gets

into after looking at such stores as Wanamaker's, Seigel, Cooper & Co.'s, such "Godless schools" will not be and "The Fair," in Chicago; Bloom-tolerated, and Archbishop Langevin, ingdale's and Macy's, in New York, as the head of the Catholics, declares Tic vast scope of such enterprises,

the magnificent system, the quick, alert , tusiness with that it takes to direct them-those give one confidence in fu-

tire successes. Fifty years ago such establishments were not dreamed of. What will the next fifty years bring

forth? These great stores owe their growth to advertising—to the diffusion of store news, for of what use were the finest stores and biggest bargain if.

conference under these circumstances. Two things make us look on this conference as useless. First, the past history of the government's treat-ment of the Roman Catholics' minor-ity, and second, the repeated and re-iterated official pronouncement that they will not restore separate schools. Speaking of the conference today the Tribune. Organ of the Greenway the Tribune. Organ of the Greenway brick building at the conference of Brus-built a telling way what you can do for them If you tell them often enough and in the right way, there is no pos-sibility of failure. The fire brigade were called out at 3.15 Monday morning by an alarm from box 16. The fire was in Samuel Wil-lis' butche building at the corner of Brusbrick building at the corner of Brussels and Hanover streets. The dam-age was very slight to the shop. The flats, above are occupied by James Sproul and David Daley, but they scaped injury.
