NATIONALS WIN SECOND GAME.
CHICAGO, Oct. 10.—In the second game of the world's championship series today the Chicago National League team took decisive revenge for yesterday's defeat when they vanquished the American League team on the latter's grounds 7 to 1. Reulbach, on the contrary, was in fine form and allowed the opposing batsmen only two hits.

The weather was bitterly cold, the mercury hovering at 6 below the freezing point all afternoon. As was the case yesterday, a few flakes of snow fell, but they were not needed to add

GOLF

NATIONAL EVENTS.

WEST NEWTON, Mass., Oct. 10.—It was a day of blasted hopes for three women golf champions in the national event at the Bree-Burn Club today. Miss Pauline Mackay, the present title holder, Miss Frances Bissop, the winner of 1904 tournament, and Miss Frances F. Osgood, the eastern champion, were all dropped in the second round of match play today, and by players who were generally regarded as their inferiors at the game.

One former champion, Miss Frances Griscom, of Philadelphia, withstood the ordeal, and will meet Miss Mary B. Adams of Boston tomorrow in what is thought will be one of the best matches of the week. The players today, despite the heavy rain of the night, which ceased only an hour before play began, found the going the best of the week. The storm cleared, but was followed by cold, yet calm weather. The face of the green was nicely softened by the rain, while the putting greens had lost some of their keenness which had disconcerted many of the players earlier in the week. Some excellent scores were made, Miss Griscom playing the first nine holes in 42 strokes, while Miss Adams was 4 in at the 11th.

ON THE ALLEYS

CITY BOWLERS WON.

The city team of bowlers turned the tables on the north end team in Black's alley last night in one of the most interesting matches which has been played so far, the teams being tied in the third string at 50 pins each. In the roll off they tied again in the final roll of the city team won by three pins.
