A benefit is always experienced from the first bottle and a yerfect cure is warranted when the above quantity is taken.

Reader, I have peobled over a the usand bottles of this in the vicinity of Boston. I know the effect of it in everyease? So sure may super will extinguish fire, so sure with this oute humor. I have never sold a bottle of it but that sold another; after a trul it always speaks for itself. There are two things about this herb that appear to me sucception; first that it grows in our postures, in some places will be pleasifed, and yet its value-has never been known until I disavered at its 184 - so sond, that it should eiter all kinnis of hamor. In order to give some then of the saiden ries. But this its bottles per day of it. Some of the wandesais bruggists who have been in basiness twenty and torictly years, say that nothing in the annals of patent mediannews as aver like it. There is a universal praise rom all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never sus pected.

Soveral cases of epileptic sites—a disease which was always considered incurate, have been cured by a few bottles. O want time.

which was always considered incurable, have been cured by a few besies. O, what a mery fift will frove effectial in all cases of that awful malady—there are out few who have seen more of it than I have.

I know of severa cases of dropsy, all of them aged people cured by it. For the various diseases of the tiver, Suck Heistune, Dyspensia, Asthras, Fever and Ague, Pain in the Sale, Diseases os the Spine, and particularly in diseases of the Kidney's, &c. the diseavery has come more good that any m define ever known for the companion of the compani

cases of the Kidney's, &c. the discovery may consume good than any m disince ever known. No change of Diet over necessary, but the best you can get, and enough of it.
