News Summary.

DOMINION.
—Masflowers have made their appearance in Tangier, N. S.

—Cleanse the scalp from scurf and dandruff; keep the hair soft and of a natural color by the use of Hall's Vegetable Sulfur Hair Restorer.

—In the household of Mr. John Bower, of Rockingham, Yarmouth, are his father and mother, aged respectively 86 and 85 years; also Mrs. Bower's parents, aged 81 and 71. The former couple have spent 65 years and the latter 51 years of married life.

—For the first time the deck law was enforced in St. John. The schooner Adeline attempted to clear with a deck load greater than the law allows, and the customs collector detained her until the load was decreased. The law provides for a deck load six inches above the rail.

—This Friday morning, as two men were crossing from East to West Point in a sail boat, the boat was upset by a squall. One of the men, George D. Entomst, son of Mr. Gerrard D. Entomst, was drowned. The other was rescued. The deceased was about 22 years of age.

—The gold mines of Nova Scotia now give direct employment in the works during some part of the year to 1000 men, and to at least 700 during the year round, while indirect employment is given to many more. The value of last year's output was \$470,000 or \$18 per ounce, and though a considerable force is engaged in preliminary work caused by the opening up of new areas, the average of each year is about \$2.30 per day the year around. Rich gold-bearing quartz has recently been discovered in some of the counties, and the total product this year is likely to be unusually large.

—The steamer Blue Hill, recently purchased by the Yarmouth & Shelburne Steamship Co., arrived at Yarmouth from Boston via Mount Desert on Thursday. Although the sea was very rough and the wind blowing strong, the Blue Hill proved herself an excellent sea boat. She is 140 feet long, is propelled by twin screws, and is very fast. She is built somewhat after the style of paddle steamers, being very broad, with prominent decks. The dining saloon is on the main deck, and will accommodate 40 persons at the tables at one time. It is an airy apartment, and has all the modern conveniences. An easy flight of stairs leads to the main saloon above, which is beautifully upholstered and carpeted. It is finished in panels, with handsome mirrors, etc. Leading off the dining saloon is a ladies' boudoir, and waiting room. The Blue Hill is a hand-sure steamer, and is in every way adapted for the route. She is heated throughout by steam, and has ample accommodation for the comfort and convenience of passengers.

UNITED STATES.

—There are twenty-five cases of leprosy in New Orleans.

—The gold product of the country for 1888 was \$1,245,000; the silver product, \$7,235,000.

—An ordinance has been introduced in the Chicago council, reducing the street car fares to three cents.

—The directors of the Chicago World's Fair have formally abandoned the lake front, and the fair will be held at Jackson Park, eight miles south of the centre of the city.

—United States Senator Blair, of Iowa, has announced that he will not be re-elected.

—Senator-elect Puffer, of Kansas, thinks that there will be a third ticket in the field in 1892. The question will be settled at the Farmers' conference in Cincinnati, May 19 next.

—Hon. A. C. Hildreth, in a speech in Washington, D. C., advised the colored voters of the country to divide between the political parties as the most certain way of securing their political rights.

—A bill has already passed the Ohio House of Representatives prohibiting persons under the age of entering a place where intoxicating liquor is sold. The punishment is a fine for both the minor and the saloon keeper, and imprisonment for the saloon keeper. The minor may be imprisoned for a second offense.

—Prosperity smiles upon the Golden State. California has a family of 1,281,130 souls who last year raised 1,220,000 tons of wheat, more than a ton for every man, woman and child in the State; 18,000,000 gallons of wine; 2,341,000 boxes of raisins. From her surplus she exported 1,000,000 tons of fruit, canned and dried, and 50,000 tons of Lina beans.

Have You Thought of It?

For four thousand years or more the world groaned, suffered, and fumed about its corns, for there was no positive relief—no certain and painless cure until Dr. Scott Putnam gave to the world his great Corn Extractor. If there is suffering now it is a result of carelessness, for the remedy is at hand. Try Putnam's Corn Extractor. It is sure, painless, and permanent. Beware of substitutes. N. C. Polson & Co., proprietors, Kingston.

—The treasurer of Tehama County, California, paid out \$79,540 for scalps in December. There were five lions, 108 coyotes, 62 wildcats, 1,552 rabbits, 53 coons, 10 bears and two eagles.

—For Neuralgia, Pott's Lotion is a sure and safe remedy. One of our leading druggists says: "I will give you a good trial of Neuralgia and Burns' Lotion for all neuralgias, 25c per bottle."

—Nasal Balm has cured the worst cases of catarrh after all other remedies have failed. Give it a trial and be convinced that it will cure you. Sold by all dealers.

—It is said that the Hebrew is fast becoming again a living tongue in Palestine. Jews driven by persecution are gathering in the land of Israel. They do not know each other's language, but all of them understand something of Hebrew, and the consequence is that Hebrew is becoming the medium of communication between them. Two weekly newspapers are now published in Jerusalem in Hebrew. It would seem expedient that missionaries to the Jews in Palestine should be able to speak in the Hebrew language.

—My mother was troubled for twenty years with a dry, hacking cough, and was completely cured by the use of Wistar's Balsam of Wild Cherry. She is now 73 years old, and well. C. H. DENVER, 55 Winchester St., Boston.

NICKERSON.—At Deerfield, Feb. 26, of consumption, Stella, beloved wife of John Nickerson, aged 34 years. Sister Nickerson was a worthy member of the Third Yarmouth church. During her lingering illness she was submissive to the will of God, and showed how sufficient the grace of God is for us in our greatest need.

VINCENT.—At Johnston, Queens Co., Feb. 27, Isaac Vincent, aged 77 years. Brother Vincent was about retiring for the night, and while bowing in the attitude of prayer and communing with his God, his spirit took its flight upward to the mansion Jesus had prepared for it. So may we all be found watching and waiting for the bridegroom's voice.

ATKINSON.—At his residence, Mortimore, Kent Co., N. B., Feb. 19, of inflammation of the bowels, Henry W. Atkinson, aged 22 years and 10 months. He leaves a sorrowing young wife and little boy, a large family connection, and many friends to mourn their loss. Bro. Atkinson was a faithful and consistent member of the Methodist church, and died in the sure hope of a glorious resurrection.

PERCIVAL.—At Tanook, N. S., Feb. 19, Widow Pearl Percival, of heart disease, aged 30 years. She leaves three orphan children and many relatives and friends to mourn their loss. Deceased was a member of the Baptist church here for a number of years, and was greatly respected and beloved by those who knew her, on account of her excellent Christian character. "Asleep in Jesus, blessed sleep."

McKEEN.—At Glennel, Jan. 24, after a lingering illness, Edward McKee, in the 70th year of his age. He was his stay through it all. In death he had no fear, for he believed that underneath them were the everlasting arms. Our brother leaves a wife and five children to mourn their loss. May God bless them in the time of their bereavement.

PRENTICE.—At New Albany, N. Y., of consumption, Henry W. Prentice, aged 27 years. Bro. Prentice was baptized in 1881 by Rev. H. B. Shaftner and received into the New Albany church. His daily walk always manifested an uprightness of Christian character. He died in peace trusting in the Lord. He leaves a wife and two small children, with many other friends, to mourn their loss. May the Lord be their portion forever.

ELDRIDGE.—At Sandy Cove, Feb. 23, of consumption, Fowler, aged 8 years, eldest child of Holland and Annie Eldridge. He was a great sufferer for many months, but bore his sufferings with wonderful patience. In conversation with his mother spoke of his death and said, "I am not afraid." He asked that the members of the family be called, and he biding them good bye, passed peacefully away to be with his Saviour.

BEYLA.—At Belyea's Cove, Queens Co., Feb. 22, after an illness of three years of consumption, John Gerow, aged 18 years, son of James and Mary E. Beyla. Our young brother experienced a hope in Christ and publicly put Him on by baptism upwards of five years ago. And since that he ever exemplified a true Christian deportment. He was wonderfully sustained during his protracted suffering by the God of all grace, bowing with perfect submission to the will of his heavenly Father. Not only do his lonely parents and only brother mourn his loss, but the church of God in this place and community at large feel they have lost a brother helper and friend. His pastor preached to a large congregation on the day of his interment from Rev. 7: 13.

REID.—At Hampstead, Queens Co., Feb. 25, of paralysis, Sarah Ann, aged 61 years, relict of James Reid, formerly of Wickham. Sister Reid was a member of Belyea Cove church, and although not often being privileged of meeting with the church she loved so dearly, yet when opportunity afforded always filled her place and left her testimony. Thus in one week two of our most active members have been removed by death. Our loss is great, but it is their eternal gain. Death had no terrors for our sister; when she found her recovery was impossible, she quietly settled up her worldly affairs, then calmly committed her spirit into the hands of her God, and fell asleep in Jesus. A lonely daughter, with many relatives and friends are left to sorrow.

RICE.—Mrs. Eliza A. Rice, relict of the late Capt. Eben R. Rice, passed peacefully to her eternal rest on the 30th day of January last, at the ripe age of 80 years. Sister Rice was baptized by the late Samuel Bancroft on the 12th of June, 1842, and for nearly 40 years led a worthy member of the 2nd Hillsburgh church of Digby Co. For 37 years she walked the lonely path of widowhood, but she did not walk alone, as she walked with God. Her late husband was lost with all his crew on a passage from Digby for St. John in 1854, leaving her the care of eight fatherless children, four of these have passed on before her, in 30 years of ill health, and in the sorrows and joys of family and church life she, under the care of the Saviour, reared 11 her training and culture for heaven of the saints. 49 years led her in her heart was well begun and well done, and can but be fruitful of good to her children and children's children who now survive her.

THORBAN.—Mrs. Letitia, beloved wife of William Thorban, Sr., of Johnston Bay, Shelburne Co., departed this life on Feb. 26, in the 60th year of her age, in a full and certain hope of eternal blessedness. Sister Thorban professed the religion of the eternal Christ when about 18 years old, and was baptized by the late Rev. Theo. DeLong, of sacred memory, and united with the Lockport Baptist church, of which she continued a member till the Sandy Point church was organized at Jordan Bay, when she became one of the members of that organization, and thereof till the Lord called her to a higher glory. For a number of years our sister walked in one of the dark ways of God's providence, but with entire resignation to His heavenly will. Though deprived of the home of God by reason of an injury received from a fall, yet she

enjoyed her Bible and the presence of Jesus in her comfortable home. She loved Christian society; and manifested a deep anxiety for the salvation of the perishing around her. Her pious example, Christian exhortations and earnest prayers will long be remembered, especially by the members of her family whom she has left to reflect and mourn. Her last illness was painful and distressing, yet borne without a murmur, and in great Christian patience God, her Saviour, sustained the soul by His grace, which enabled her to triumph in the last dark hour. Thus passed away so calmly the Christian wife, the pious mother, and the loving friend.

BEYLA.—At Sandy Cove, Digby Co., Feb. 22, Reta, aged 8 years, only and well beloved child of Alice and Botsford Beyla. She was a constant attendant at the Sunday school, and an interested member of the mission band. Just before her death, while suffering intensely she asked her father to bring her mission box and put in the amount she had been in the habit of giving weekly. This dear child, though of such tender years, felt her need of a Saviour; she asked her mother if she thought the dear Saviour would let her into heaven. On being answered that He would, she replied, but I have been such a bad little girl, but I am praying all the time. Much sympathy is felt for the parents in their bereavement.
