

TELEPHONE LUNCHEON ON THE CODE QUID

Commissioners, Board of Trade Members and Prominent Citizens, Guests of Royal Mail Packet Co.

The inauguration of the new service to the British West Indies was marked yesterday by a luncheon given on the Royal Mail Packet Company's steamer Cobequid.

The luncheon which was given by the company was intended to give J. Allson, the manager, and Capt. Henson and officers an opportunity to meet leading citizens of St. John. The toast to the company was proposed by Mayor Frink and John E. Wilson, president of the Board of Trade, who expressed their appreciation of the fine type of vessel selected by the company and the hope that there would be a big trade between St. John and the West Indies.

John Allson, the manager, in reply to the toast to the company said he desired on behalf of his principals, the chairman and court of directors and managers, to thank His Worship the Mayor and the president of the Board of Trade for their kind remarks. It was gratifying to receive such a warm welcome upon the occasion of their first visit to the port and city. "It is," he added, "the intention of the company to provide as efficient a service as possible, and I trust that with the co-operation of the shippers and merchants at the various ports concerned, we shall witness an expansion of trade between Canada and the West Indies."

Forty-seven persons sat around the tables. The guests were: James H. Frink, Mayor of St. John; Hon. Wm. Pugsley, M. P.; Hon. John E. Wilson, M. L. A.; Col. H. H. McLean, M. P.; Captain Henson, commander of the Cobequid; J. Allson, Purser Houghton, Dr. Lester, Albert T. Dunn, Collector of Customs; J. Morris Robinson, president of the Board of Trade; J. B. M. Baxter, Recorder; Robt. Thomson, F. E. Williams, H. C. Schofield, H. C. Groat, W. B. Bamford, H. H. James, Geo. S. Cushing, Geo. L. Wetmore, F. P. Storr, Chas. Miller, G. N. Kennerly, James Pender, Lewis W. Simms, J. P. Gregory, Edwin Peters, Fred S. Crosby, F. E. Sayre, L. R. Ross, J. H. Duddy, W. A. Harrison, F. B. Ellis, H. V. McKinnon, A. M. Belding, C. H. Peters, A. A. Jones, Fred Barbour, W. P. Hatheway, T. H. Bullock, R. G. Halsey, Percy W. Thomson.

TRADE SHOWING VERY CONSIDERABLE INCREASE

Special to The Standard. Ottawa, Nov. 21.—As a result of the reciprocity agreement with the British West Indies and British Guiana, the trade between Canada and those portions of the Empire is showing a material increase according to a statement from the customs department. Canada's exports of dry and salted fish, butter, cheese, canned meats, oats, flour, cereal foods, show increases and a trade in Canadian automobiles is being built up.

Canada's import of cocoa beans from the British West Indies show an increase and the same is true of honey, lime juice, sponges, sugar, bananas, etc.

A WOMAN'S HELPLESSNESS

Cured Through the Rich Red Blood Dr. Williams' Pink Pills Actually Make.

Thousands of women suffer from headaches, backaches, dizziness, languor and nervousness. Few realize that their misery all comes from the bad state of their blood. They take one thing for their head, another for their stomach and a third for their nerves. And yet all the while it is simply their blood that is the cause of all the trouble. Dr. Williams' Pink Pills will cure because they actually make new, rich, red blood, which reaches every organ and every nerve in the body, carrying with it a new health and new strength. Mrs. Wm. Acorn, Charlottetown, P. E. I., says: "Before I began the use of Dr. Williams' Pink Pills I was one of the most miserable women living. For more than three years I lived a life of constant dread. I was taking weak spells so that I could not be left alone. If I walked from one room to another my heart would palpitate so violently that I feared I would die. I was continually sending for the doctor, who told me I had no blood and that my nerves were shattered. Notwithstanding his treatment I did not get any better. I could not keep anything on my stomach, and the least thing would make me sick. Then my trouble was complicated with rheumatism, which became so bad that I had to be lifted like a child, and the pain was almost unbearable. I was in this deplorable condition when my husband read of Dr. Williams' Pink Pills, and got me a supply. When I had taken half a dozen boxes I felt much better, and could go about the house. I kept on taking the Pills until I had used twelve boxes, and I can truly say they made me a well woman. Indeed I do not think I would be living now but for Dr. Williams' Pink Pills. I wish I could persuade every woman who is sick to follow my example, for I have proved they will cure the most desperate cases, and I consider myself a living witness of this fact."

You can get these Pills through any medicine dealer or by mail post paid at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ontario.

W.C.T.U. DELEGATES TO WORLD'S CONVENTION

Continued from page nine. ing by "while men were being dragged down and down and not offering a helping hand."

The little town Eden, in New Zealand, Mrs. Drew said, was a prohibition town. "Our people are a very good set, and even before we banished liquor we did not have much trouble. Our one policeman was much relieved of his duty and put to other work, however, after we closed up the saloons."

Mrs. Drew told of the shocking condition in England, where in a certain jail out of three and one-half miles of occupied cells, those confined in all except one-half mile, were thrown into prison because of crimes committed due to drinking.

"I cannot understand the people of this great city," said the temperance delegate. "They are always rushing and running—always busy. Money, money! All that I have seen is this great rush to get rich. The desire to get on, the craving for wealth. Let me leave this message with you: 'Life is short. Do not hurry the days. Let the days alone. Let each day last as long as possibly can, for life is short at its best.'"

Dr. L. Pearl Boggs, representing China at the W. C. T. U. convention, spoke last night in St. John's M. E. Church, Wilson street and Bedford avenue, drawing contrast between the use of opium in China and alcohol here. Declaring that the Chinese rid themselves of the opium habit in six years, because they realize the physical deterioration that the drug caused, Dr. Boggs said that the alcohol habit here could be wiped out if drinking was discontinued, because its use undermines health, shortens life and reduces one's usefulness.

"It was feared in China that the continued use of opium would devitalize the race," said Dr. Boggs; "so war was waged against it, which culminated in the Empire issuing an edict that every public office holder should shake off the opium habit within five years or forfeit his job. This was effectual. Legislation followed and soon that great evil that for so long held the Chinese down will pass into history."

In answer to the claim that the sale of liquor in this State is highly taxed and to discontinue the sale of it would be to cut off one of the State's chief sources of revenue, Dr. Boggs simply said: "China found that it was able to stand the financial strain when the prohibition was placed on opium, which was similarly taxed, so I cannot see why this State can't do without the money realized by the excise tax."

Dr. Robert M. Moore, pastor of St. John's Church, conducted the service and introduced the speaker.

C.P.R. LAWYER IS A SUICIDE AT OTTAWA

Found with Throat Horribly Gashed—Prominent in Legal Circles in Washington.

Ottawa, Nov. 21.—James A. Twohey, a Washington, D. C., attorney, and chief counsel for the Canadian Pacific Railway in that city, was found dead in a room in the Grand Union Hotel this afternoon. He was lying in the floor of the room before a chiffonier, and his right hand clinched a broken razor. His throat was cut from ear to ear. The man had evidently made every preparation to end his life, as he had placed a wash basin in front of him and it was partly filled with blood.

On a table in the room was a letter addressed to Mrs. James A. Twohey, 3179 Eighteenth street, Washington, D. C. This has been taken in charge of by Coroner Baple, who is investigating the case. No inquest will be held.

Twohey arrived in Ottawa Wednesday morning of this week, and was taken from the C. P. R. station by the railway scout to the hotel, apparently ill.

Mr. W. L. Scott, solicitor for the C. P. R. here, was unaware of Mr. Twohey's presence in the city until he learned of his death. He is ignorant of the business which brought the dead man to the city. Twohey appeared in inter-state commerce cases for the C. P. R. at Washington.

His body is being held pending instructions from relatives.

Washington, D. C., Nov. 21.—James A. Twohey, the Washington attorney who committed suicide in Ottawa, Ont., was prominent in legal circles here, his practice being before the various executive departments of the government and the inter-state commerce commission. He left here for the west on a business trip about two weeks ago in good health, and apparently in the best of spirits. His family could assign no reason for his act.

Mr. Twohey, who was born in Burlington, Vt., 43 years ago, is survived by a widow and five children.

AN AMENDMENT TO BY-LAWS PROPOSED

New York, Nov. 21.—The board of managers of the cotton exchange today proposed amendments to the by-laws putting into effect a monthly revision of differences on spot quotations and vesting in the board the power to change the grade standards.

The board approved a new rule, to take effect January 1, 1914, which, in substance, will prohibit the extension of credit to any person or firm other than members of the New York Cotton Exchange.

These changes were made upon the recommendation of a special committee appointed to consider the question of changing existing type standards and making other modifications in the present form of contract.

Mortified By Pimply Face

Stuart's Calcium Wafers Will Restore Good Looks and a Clear Complexion to Your Face.

There is no humiliation so intense as the knowledge that people are constantly noticing the pimply condition of your face. Women, especially, realizing the attraction of personal beauty and longing as every woman does, for admiration and love, find them the source of the greatest unhappiness and misery. They know that even to their own families their pimples are annoying, and they imagine they are the laughing stock of every stranger.

FIFTY THOUSAND IS MORGAN'S CONTRIBUTION

Generous Donation Made to Y.M.C.A. Fund—Almost \$3,000,000 Donated thus Far.

New York, Nov. 21.—The contribution clock of the Young Women's and Young Men's Christian Associations, which are engaged here in a two weeks' campaign to raise \$4,000,000, registered \$100,533 today and its hand showed that the fund now totals nearly \$3,000,000, the exact figure being \$2,949,833. Today's gifts included \$50,000 from J. P. Morgan & Company, \$10,000 from Mr. and Mrs. Stephen C. Clark, and \$1,000 each from Daniel Guggenheim, Hermann Slicker, and William Nelson Cromwell. Daikehiro Tagawa, vice-mayor of Tokio and a member of the Japanese parliament, made a speech to the campaign workers and presented \$50. A conditional pledge of \$100,000 was made by the fund reaches the \$3,000,000 mark by noon tomorrow, or, failing in this, the \$3,000,000 mark by noon Monday, the pledge will be fulfilled. The identity of the prospective donor was not made known.

Although the supply of produce in the country market today does not show as large a variety or as well stocked a market as last week, taken as a whole the market is in advance of the usual run of Saturday markets and particularly in the supplies of beef and lamb the amount on hand for disposal this week is much greater than has been offered during the summer months and early fall.

While beef and lamb are quite plentiful now, it is said by dealers in the country market that the outlook for later in the season is not so bright and that Christmas beef this year will be considerably in advance of the price now being asked.

Throughout the winter and up till the past few weeks there has been a decided shortage in the local beef market and the prices were unusually high. The approach of the winter season and the closing of the river traffic, dealers claim, have been responsible for the good supplies of the past few weeks. The belief, however, is that later in the season will find a shortage in the beef and lamb markets. At present some of the best beef produced in the province is being exported and the local markets are being supplied with stock inferior to the usual grade of beef offered in the city.

In the market today there is a scarcity of eggs and butter and prices in these lines remain high. The poultry market is exceptionally good with a large variety and moderately low prices. Turkey is slightly scarcer than on the previous week, and a rise in price has been effected in this line. The meat market is good and a fairly large supply of vegetables is offered for disposal. The prices run as follows:

Beef, 12c. to 25c.; lamb, 12c. to 25c.; veal, 10c. to 15c.; chickens, 25c.; fowl, 15c. to 20c.; turkey, 20c. to 35c.; duck, \$1.50 to \$2; geese, \$1.50 to \$1.75; venison and moose, 15c. to 20c.; ham and bacon, 25c.; eggs are selling at 45c. a dozen and butter is bringing 34c. a pound.

At a special meeting of the local council of women held in the King's Daughters' room yesterday at which the presidents of the various women's societies of the city affiliated with the council, it was stated that satisfactory arrangements had been made to have the pioneer woman police officer visit the city.

Miss Wells will arrive here on Friday, and in the York Theatre will speak on the position of woman, taking as her theme, "The Need of Police Women and Their Work."

Miss Wells comes from the Pacific Coast and is credited with the distinction of being the first woman in America to serve on a police force. She is now visiting in Montreal.

HEAD STUFFED? GOT A COLD? TRY PAPE'S

"Pape's Cold Compound" ends colds and grippe in a few hours.

Take "Pape's Cold Compound" every two hours until you have taken three doses, then all gripe misery goes and your cold will be broken. It promptly opens your closed-up nostrils and the air passages of the head; stops a dry discharge or nose running; relieves the headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing your nose! Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Accept no substitute.

A Smooth, White Skin That Defies Weather

(From The Woman Beautiful.)

During the coming months of biting winds and intense cold, you who would keep your skins smooth, white and velvety, should turn your attention to mercerized wax. Nothing else will so effectively remove chapped, roughened or discolored surface. By gradually absorbing the weather-beaten cuticle, the complexion is kept in perfect condition and even the beauty of expression appears more pronounced. If your skin be blotchy, pimply, frocked, coarse, sallow or over-dried, why not shed it? One ounce of ordinary mercerized wax, to be had at any drug store, will completely transform the most unsightly complexion in less than a fortnight. Use the wax nightly, like cold cream, washing it off mornings.

If weather, age or poor health has marred your face with wrinkles, here's good news. You can quickly remove every line by using a harmless, refreshing face lotion prepared by dissolving 1 oz. powdered saxoline in ½ pint witch hazel. The firmer, smoother skin, the more youthful appearance, even after one application, will astonish you.

SUCCESSFUL FESTIVAL IN STONE CHURCH

Sunday School Gathering Proved an Enjoyable Affair—Supper Followed by Interesting Programme.

A large and successful Sunday school festival was held in the school room of the St. John (Stone) church last evening. At 6.30 o'clock the pupils of the intermediate school and members of the Young Men's Bible class sat down to tables laden with a bountiful repast and decorated with red geraniums and red bon-bon holders. The primary class was served with supper in their own room, the tables being decorated in the same color scheme as those of the older pupils.

Those who had charge of the tables were the older pupils, who enjoyed a fine repast were, Mrs. R. D. Taylor, Mrs. W. E. Anderson, Mrs. Edgar Holder, Mrs. Edgar Bates and Miss Sadler, assisted by the Sunday school teachers and members of the Young Ladies' Bible class.

Those in charge of the primary class were, Mrs. L. K. Wetmore, Miss Alice Fairweather, Miss Mabel McAvity, and Miss M. Mellick.

After supper an interesting entertainment was given in the large hall. The program consisted of a song by Mr. Storey, a recitation by Miss Margery Manning, a chorus, "In Springtime," by the choir boys, recitation by Miss Gertrude Karr and Crossley; after which the story of "The Life Boat," illustrated by lantern slides, was told, followed by patriotic songs.

Mrs. George Kimball and Mrs. John McAvity headed a committee which had the arrangements for the festival in hand, and to the work of the committee much of the credit for the success of the affair is due.
