

Social Notes of the Week

ROTHESAY

Rothsay, May 19.—A large number of our residents went to St. John last Friday evening, to attend the Military Tattoo. The Rothsay College Cadets who marched to the station headed by their band, made a very smart appearance and received much favorable comment. This band too, deserves praise and the new selections lately added to their repertoire, are greatly appreciated by the public. Rev. R. W. Hibbard head master and members of the teaching staff and of course Sergeant Doan accompanied the boys. Through the thoughtfulness of Mr. James F. Robertson they were all entertained at the tattoo at Bond's restaurant, a kindness much appreciated.

Last Saturday, Mr. and Mrs. Thomas Bell, who spent the winter at the Kennedy House, returned to their own home.

Miss Celia Armstrong of St. John, was on Tuesday, guest of Mrs. D. D. and the Misses Robertson, and with them attended the Red Cross tea.

Guests of Mr. and Mrs. Walter Leonard on Saturday, were Mr. and Mrs. R. B. Travis of St. John.

For the week-end, Captain L. P. D. Tilley and Mrs. Tilley were here from St. John, with Mr. and Mrs. John M. Robinson.

On Saturday Miss Lillie Raymond, Miss Muriel Sadler, Miss Edith Miller, Miss Isobel Jack, Miss Miriam Knowlton and Miss Catherine McAvity of St. John; Miss Emma Turnbull and Miss Agnes MacKean, of Rothsay, graduates of Netherwood, spent the afternoon and evening at the school, and entertained the girls in a very happy manner. A base ball game won by the school team, was very interesting. "Netherwood" is running on the "daylight saving" time, which gives the visitors a nice long evening during which they presented a very amusing play "How the Story Grew," the stage, costumes, and acting, all were well arranged for, and thoroughly enjoyed. Abundant dainty refreshments were served by the graduates who returned to the city by the nine o'clock train. The interest taken in the school by all the "old girls" is certainly every encouraging to both pupils and teachers.

Mr. and Mrs. Harry Warwick of St. John, spent Wednesday at Riverside, with Mr. and Mrs. George T. Piller.

On Wednesday, Mrs. H. E. Pudding went to Fredericton to attend the closing exercises at the University of New Brunswick; her son Mr. Elmer Pudding being a student at that institution.

Today, Thursday, Lady Tilley and Miss Clements, are coming to the Kennedy House to stay till going to Lady Tilley's cottage for the summer.

At the home of Mr. and Mrs. L. V. Price, Renfrew, Mrs. Cowan and her daughter, Miss Constance, sister and niece of Mrs. Price, have come to be guests for the summer.

Beside the usual attendance of residents at Tuesday's Red Cross tea, there were several from outside the village. Hostesses for the afternoon were Mrs. John M. Robinson and Mrs. William S. Allison. On the "shop"

table were some very fine rhubarb, fresh eggs, home, J. cream, and early garden flowers. Cake and bread in variety, were there as usual and everything was quickly sold.

Mr. and Mrs. Joseph Prichard, of St. John, were guests of Mrs. D. D. and Walter Fleming at Riverside, over the week-end.

On Tuesday Mr. and Mrs. James F. Robertson arrived from St. John, to occupy "Kansale" for the season.

Members of the local Woman's Auxiliary met on Monday afternoon, at the home of the president, Mrs. A. W. Daniel. After a short devotional service the secretary, Mrs. Davidson, the treasurer, Miss L. Fairweather, (per Mrs. Hibbard) the Dorcas secretary, Mrs. Hannington, and other officers gave reports and settled up the business for the season, as meeting are now discontinued until the autumn.

A special feature of the programme was the reports of our delegates to the annual diocesan convention, held in St. John last week. The president, secretary and others, who attended the convention, were very happy to report the success of the convention.

Helpful things to pass on, but of course the center of interest was with the authorized delegates, Mrs. David Robertson and Miss Pitcher, who gave splendid reports. It was Miss Pitcher's first experience as an official representative, and her paper entitled "My Impressions of the Big Convention" was most bright and interesting, and quite out of the ordinary. Beginning with the start from Rothsay, all the way down through the three day's sessions, many things, unnoticed by the strictly businesslike reporter, were very attractively told. It is sincerely hoped these "impressions" may be read again, not only to new hearers, but also to those who enjoyed it on Monday, may be able to do so again. On Monday evening, May 20th, at St. Paul's Church school house, the bales for a North West Mission school will be packed. This packing is an event of annual interest to all, and contributions are always welcome.

Mrs. T. Sherman Peters of Gagetown, is just now here visiting her son, Dr. Oliver Peters and family.

Members of a girls' club, who during the winter have been busy knitting for our soldiers, had a very pleasant time together last Saturday, at the home of Miss Gladys Price, Renfrew, when her guests included Misses Mary Lewis, Clara Melick, Olive Golding, Adelaide Marvin, Jean Dearborn, and Miss Helen of St. John, and Muriel Anderson of Renfrew. The girls were very happy together, and did some useful work as well.

Quite unexpectedly this gathering took form of a farewell, and possibly the large attendance was partly due to the fact that today there will not be more than twenty men of the 145th in barracks at Sackville. Most of them leaving at once to help with the scaling.

Major Wood presided, and in addressing the men, assured them that Sackville had been glad to have members of the 145th among us.

Very gladly and cheerfully had the ladies of Sackville carried on the work of the Khaki Club. The men of Sackville felt indebted to these ladies for the work they had so successfully carried on with their energetic convenor, Mrs. McCready. The main feature of the programme was the sweet music discoursed by Mayor Wood, Mr. Whitney and Mr. Hetherington, with Miss Maria Des Barres as pianist.

Soon after the arrival of the men, Mrs. F. S. Black distributed cigarettes galore, while Mrs. Josiah Wood provided ten pounds of chocolates. Needless to say the chocolates disappeared "like the snowflake on the river."

There were the usual patriotic choruses heartily sung by the men. The programme makers of the evening had intended that there would be no speech-making outside the chairman's remarks but quite unexpectedly about ten o'clock the gathering developed into a veritable testimony

McCormick's Sodas

So good that butter seems unnecessary.

The delightful crispness of McCormick's Jersey Cream Sodas is an indication of right packing. A special cooling process after baking makes them crisp, and our special method of packing in tightly sealed boxes, lined with waxed paper, keeps them so.

Delicate, tasty, digestible and highly nutritious, McCormick's Jersey Cream Sodas contain all the elements of a pure, wholesome food at an economical price. The new model million-dollar snow-white bakery in which they are made, testifies to a purity and cleanliness which is absolutely unique in modern biscuit making.

meeting. Mayor Wood had left the rooms and Mr. F. A. Fisher, a member of the Khaki Club executive was asked to take the chair, there were calls for speeches from all the officers, including Major Carey, Captain Rideout, Lieut. Bower, Lieut. McKinn, Lieut. Hudson, Lieut. Patterson, St. John, senior non-commissioned officer, Sergeant Blackall and Quarter Master Sergeant Robertson. Of necessity on account of the lateness of the hour, few and short were the words they said. The senior officers and those who have been longest with us, voiced their appreciation for the kindness shown them by the people of Sackville. They would carry with them their declared very pleasant memories of these weekly entertainments and it would be with genuine regret that they would take their leave some weeks hence. Captain Rideout said that so cordial had been the reception given him by Sackville people, that he had never felt that he was a stranger among them.

Lieut. Bower concluded his remarks by very earnestly saying "from my heart I thank you all."

Mr. Fisher then called for three cheers for Mrs. McCready, the convenor of the Khaki Club committee. To insistent calls for a speech Mrs. McCready replied briefly saying that her share of the work had been a real pleasure and the large measure of appreciation voiced tonight had assured her that the time given her would not be in vain. This memorable meeting was brought to a close by singing And Lang Syne and God Save the King.

The ladies who arranged the entertainment were from the Methodist church and included: Mrs. F. B. Black, convenor, Mrs. W. Turner, Mrs. Edgar Ayer, Mrs. DesBarres, Captain Ayer, Miss Lou Ford, Miss Greta Ogden.
