CESSATION OF RAIN IN FLANDERS AND TO ALLIES

Most Important Development in Several Days and One Which Probably Means Increased Infantry Activity.

British Headquarters in France and Belgium, Aug. 6.—(By the Associated Press)—A determined but futile counter-attack, delivered by the Germans against Holbeke, and heavy artillery bombardments on both sides, represent the main activity along the battle line in Flanders during the past twenty-four hours, but the cessation of the rain and the reappearance of the sun, which rapidly is drying out the water-logged roads in the fighting area, is the most important development. Further attempts by the Germans to regain at least part of the ground they lost in Thursday's onslaught are looked for at various points along the wide front.

British Entrenched. The clearing of the weather to a point where infantry fighting on a much larger scale is possible finds the British firmly entrenched throughout the entire length of the advanced positions wrested from the Germans. The account of men engaged in the capture of Hooge indicate that the second day's battle in this section was rendered extremely severe and doubly trying by the heavy rain which began the night before. Hooge was occupied with little rest the shortly after the attack because the place had been so

Health and Beauty Hints

BY MRS. MAY MARTIN.

Yers B. Your skin will grow soft, clear and smooth after a few applications of a plain aloe jelly-cream, made at home as follows: Put 4 tablespoonfuls glycerine into 12 pint water, and in this dissolve 1 ounce aloe (which you can buy at the vital organs). Apply a thick coat of this to the skin before retiring, then wash off in the morning and use more of the jelly-cream for massaging. This gradually dispels the wrinkles and lines and banishes pimples, blackheads and the "muddy" oily look. The aloe jelly-cream is greasy-ness and will not grow hair.

Mrs. A. T. You may not require glasses. Get from your druggist one ounce crystals and dissolve in 1 pint water. Then put a few drops in the offending eye several times a day until inflammation and soreness have vanished. This crystals eye tonic is especially good for granulated eyelids, and using it strengthens the eyes and gives them a youthful sparkle.

Adeline. The reason for that dryness of hair after your shampoo is because that kind of soap irritates the scalp's tissues and makes them over-sensitive. Can't you correct this, by using a tonic as well as a cleanser, and is so stimulating to the blood vessels and scalp tissues that the danger is entirely eliminated. To prepare your shampoo, dissolve a tablespoonful of Canthrox in a cup of hot water, then pour it slowly on the head as you rub briskly. This dissolves every trace of dirt, dandruff and excess oil, and after rinsing the hair will dry quickly and evenly.

Lily G. Loss of weight is a serious matter and calls for prompt action. Get from your druggist 1 ounce hardene and put it, together with 12

The plan is to reproduce in Texas aviation schools like those at Camp Borden, Camp Mohawk, Camp Rathburn, Camp Seaside and Camp Armour Heights. Lieut. Denton was responsible for the laying out of the Canadian flying grounds. A large number of the cadets recruited in New York will be sent to Texas to finish their training.

Men Arrested for Resisting Army Draft Are Liable to Suffer Penalty of Death.

Muskogee, Okla., Aug. 6.—United States District-Attorney McGinnis announced this afternoon that the men arrested on charges of resisting the army draft in connection with the Oklahoma uprising will be tried for treason and that the death penalty will be asked by the government. The district-attorney has sent two deputies to the infested districts of the state to gather evidence. TWO BATHERS LOSE LIVES

Son of Woodstock Chief of Police Drowned in the St. John—Minister's Son Drowned in Meductic Stream.

Woodstock, Aug. 6.—Mark Kelly was drowned this afternoon while swimming in the St. John River near Hayden's Mill. In company with others he swam across the river and on his return when in the channel of the river he threw up his hands and shouted for help, evidently having been taken with a cramp. The body was recovered about 6 o'clock. He was the son of Chief of Police, was nearly 13 years of age, graduated from the High School this summer; was a member of the local baseball team and was very popular wherever known. The sympathy of the community is extended to Mr. and Mrs. Kelly in their bereavement. Russell Stairs, son of Rev. Thomas Stairs, was drowned while bathing yesterday while swimming in the Meductic stream at Southampton. He was 15 years of age.

OBITUARY

Miss Catherine Murray, a respected resident of this city, died in the General Public Hospital yesterday after a lengthy illness of heart trouble. Miss Murray had been in the hospital since Easter, but had improved somewhat and at one time was able to leave the institution. The improvement was but temporary, however, and yesterday she passed away. She was a daughter of the late John Murray, and is survived by three brothers, James of 123 Pond street, and Daniel and Jeremiah in Boston. Her funeral will take place at 2:30 this afternoon from Fitzpatrick's undertaking rooms, Waterloo street.

SERVICE AT BROWN'S FLATS.

At Brown's Flats on Saturday a large number of the residents and visitors assembled in the Methodist church to observe the proclamation of the lieutenant-governor, W. L. Belyea, occupied the chair, and Rev. J. Ainsworth of Maryville, and Wellington McKel, who has three sons serving in France, conducted the religious exercises. The resolution affirming Canada's determination to prosecute the war to a successful end was moved and seconded by Principal W. J. S. Miles of St. John and Rev. Mr. Ainsworth. A group of young lady visitors conducted the musical exercises, which were further brightened by patriotic solos by Miss Mildred Brown and Miss Mabel Shaw of St. John. A substantial collection was raised for returned soldiers' fund. The success of the meeting is chiefly due to Miss Mary Gunn of St. John, who for the third consecutive summer has organized some form of patriotic effort in this favorite resort.

PETER POINTER WINS

Columbus, Pa., Aug. 6.—Peter Pointer, who was given the sloop a week ago and turned over to W. L. Snow to drive today by E. F. Geers, his agent, because of Geers' aversion to piloting a hobbled racer, won the \$3,000 Elks Home stake after a six heats battle. Pointer and Walter Cochato were the two finishers. GEN. BOTHA PREMIER OF SOUTH AFRICA

London, Aug. 4, via Reuter's Ottawa Agency—Among the many messages received by the government in connection with the anniversary of the war, is one from General Botha, premier of South Africa, saying: "At the close of the third year of this terrible war I can only reiterate what I said yesterday, namely, let us press on to victory."

RECALLS PREMIER'S SPEECH.

Sir Wilfrid recalled the recent speech in which Sir Robert Borden contrasted the action of the present government providing for a review of the findings of the Landry commission which reflected upon Hon. Robert Rogers with the failure of the Laurier administration to take cognizance of the report of the Landry commission which criticized Hon. Wm. Pugsley. The leader of the opposition said that in 1909 Mr. Crothers, now the minister of labor, had moved a motion which merely called upon the house to affirm the judgement of the Landry commission based upon that report a resolution of censure. Mr. Crothers had relied upon the evidence presented before that body. This reason he said, Sir Wilfrid, that there was a reason for the attitude which Mr. Crothers had taken. The reason he found in three letters all addressed to Hon. J. D. Hooper, an attorney-general of New Brunswick and all included in a return presented to the New Brunswick legislature in June last.

GERMAN ATTACK FORCES

Enemy Endeavoring to Ground in Flanders—No Infantry Night.

London, Aug. 6.—German forces last night attacked the new British line in the neighborhood of Holbeke, on the Belgian front but they were repulsed according to the official report received by the war office today from Gen. Haig. A German attack on the British positions at Westhoek also was unsuccessful. The text of the statement read: "Early last night the enemy attacked in the neighborhood of Holbeke. He was driven off before reaching our lines. An attack made under cover of a heavy barrage against our position at Westhoek was equally unsuccessful. A German raiding party was repulsed during the night east of Ephey." On the French front.

SPLENDID OPPORTUNITY FOR

T. Geddes Grant of Trade Commerce Between—Is Native of Victoria

(Halifax Chronicle) That there are splendid opportunities for development of trade between Canada and the British West Indies, particularly in the export of numerous lines of manufactured goods from Dominion to those islands, was opinion expressed to a Morning Chronicle reporter yesterday by T. Geddes Grant, a Canadian by birth, but a prominent business man of Trinidad, B.W.I. During the many years he has been in Trinidad, Grant has built up a very large business and throughout has "hoisted" native Dominion to the utmost. He has come to Halifax to establish here a branch office of his company, the chief object of which office will be to promote and look after shipments of Canadian manufactured goods to the British West Indies.

ECZEMA

ECZEMA is not a disease of the blood, and therefore cannot be cured by internal treatment. The curative agent must be applied directly to the inflamed, itching skin. To know this is to save much time and suffering, for it is on this account that Dr. Chase's Ointment has been able to establish such an enviable record as a cure for eczema and kindred diseases of the skin.

Chafing and friction of the skin is the usual cause of eczema. The irritation may be caused by the clothing or as the result of an injury of some kind. In some cases where the skin is extremely sensitive the frequent application of cold water or the use of impure soap is sufficient to set up an irritation of the skin which results in eczema.

But whatever may be the cause of one thing you can be certain, that Dr. Chase's Ointment will effect a cure if used persistently. You are not over experimenting when you use it, for it is known the world over as the most effective treatment for eczema.
