## POOR DOCUMENT

THE SEMI-WEEKLYSTELEGRAPH, ST. JOHN, N.B., SEPTEMBER 20, 18992

## The Show Will Be a Great Success--Thousands of Children on the Grounds Saturday.

Saturday was children's day at the big fair. All through Staturday morning and atteressen the little ones thronged through the gates and began their joyous rush through the buildings, questioning whenever anything strange met theirview, and taking a big interest in everything in buildings and on grounds. Machinery hai was a point of attention for them, with its moving mechanical contrivances. The cattle, too, were viewed with great attention, but the outdoor amusement performance and the amusement hall show where the banner attractions for the girls and boys. The races, wrestling horse, clown donkey, Miss Nata's high dive, the parade of Sanborn's besuitful horses, all were watched eagerly by them and liberally applicated. The amusement hall show was a favorite in every featu e. At the performance in the atternoon Miss Nata, on emerging from the tank, was presented with a handsome bouquet.

Mr. Ge-rge F. Owens, who looks after the essociation's interests in P. E. Island, left Saturday for there to help in the conduct of the excursions and looks to bringing over large numbers. The island has shown up well in prize taking.
