

The above number of drawings will include only such as shall be specially prescribed for the purpose.

These drawings will be prescribed as the work of the session proceeds.

Drawings prescribed for the first term of the session will not be counted unless finished in that term.

To pass in Drawing the drawings referred to in the preceding table must be made, together with as many others as may be prescribed.

The number of practice sheets to be made by each student will depend upon his progress.

The minimum number of drawings shall be twenty-five and the maximum number thirty-five, except in the Department of Analytical and Applied Chemistry, in which the numbers shall be fifteen and twenty-five respectively.

The minimum percentage of marks prescribed for practical work must be obtained in Drawing.

The drawings must be made on paper 15 x 22 inches, unless otherwise prescribed.

At the end of each term the drawings must be neatly bound together between covers of approved pattern before they are finally examined, and the student's name, together with his year, term and date, neatly printed on said cover.

The Council reserve the right of disposing of the drawings as they may think proper. No drawing may be removed from the School without permission.

To pass in Surveying the minimum percentage required for practical work must be obtained in the field work.

No drawings will be counted which have not been made in the drafting rooms, and during the hours allotted to such work.

No field notes will be counted which have not been taken in the field, and during the hours allotted to such work.

The penalties for the infringement of the above two rules will be determined in each case by the Council.
