ask that you make it very clear what vote we are voting on. In the interest of some common sense around here, perhaps Your Honour could relate what you are referring to to the document which most members have in front of them because they do not have the advantage of your list. That is not too much to ask for, Madam Speaker, and I say this in order to help you in a difficult moment.

Madam Speaker: I thank the hon. member. It seems to me that the question we are voting on is what is put to the House and what I read to the House. If that, for some reason, does not correspond with the Order Paper—

Mr. Lambert: Oh, now just a minute.

Some hon. Members: Oh, oh!

Mr. Lambert: We are not going to have that.

Madam Speaker: What was the hon. member's reference, because this corresponds exactly? We have page 1982 of the Order Paper and Notices.

Some hon. Members: Oh, oh!

Madam Speaker: Page XIX.

Some hon. Members: Hear, hear!

Madam Speaker: That is exactly what I have just read to the House.

I think we have our pages straight now. The hon. member agrees?

MOTION FOR CONCURRENCE IN VOTE 30, DEPARTMENT OF
EXTERNAL AFFAIRS

Hon. Donald J. Johnston (President of the Treasury Board) moved:

That Vote 30, in the amount of \$43,500,000 under the Department of External Affairs—Canadian International Development Agency—Operating expenditures and authority, in the Main Estimates for the fiscal year ending March 31, 1983 (less the amount voted in Interim Supply), be concurred in.

Madam Speaker: Is it the pleasure of the House to adopt the said motion?

Some hon. Members: Agreed.

Some hon. Members: No.

Madam Speaker: All those in favour please say yea.

Some hon. Members: Yea.

Madam Speaker: All those opposed please say nay.

Some hon. Members: Nay.

Madam Speaker: In my opinion the yeas have it.

And more than five members having risen:

The House divided on the motion (Mr. Johnston) which was agreed to on the following division:
