BOY SCOUT NOTES

The regular meeting will be held this evening at 6.45. Program as follows:

6.45 to 7.00—Group Games.

7.00 to 7.45—Indoor Cricket.

"Wolves" vs. "Cuckoos".

7.00 to 7.45—Talk on Fireman Badge. Remainder of Troop.

7.45 to 8.00—Group Games.

8.00—Roll Call and talk by Rev. R. F. Dixon.

8.15—Rehearsal of Play.

It is hoped to produce the tenth annual entertainment at an early date. The Indian play "Pocahontas" will be given together with various specialties. An especially interesting feature this year is that portion of the program given by certain Sunday School Classes. The "Crusaders" (St. John's) will have charge of the Shadow Pantomime and the "Live Wires" (The

A WIDE AWAKE SUNDAY-SCHOOL CLASS

From time to time we have seen chronicled in the columns of the Acadian matters relating to the "Crusaders", the boys class of St. John's Sunday School.

It may be however of interest to give a brief outline of what this class has done and is doing.

The class was organized in the Spring of 1920 with Mr. H. H. Wetmore as teacher, Arthur Brady, president and Robert Herbin as Secy-Treasurer. The membership totalled 8, who attended more or less regularly. The opening of the new Parish Hall stimulated interest and enabled the boys to act as hosts and as guests at a number of socials during last winter. The membership and interest increased and the crowning achievement was an entertainment put on by the class with the assistance of outside talent early last Spring. This netted the boys about forty dollars and gave them a working capital.

Last month ten members of this class spent Friday afternoon and Saturday at the Scout camp at Sunken Lake.

Enthusiastic plans are made for the coming winter's work which it seems probable will be carried out.

Mr. Doane Hatfield, the president of the class, was sent to the Boy's Conference as a delegate (the sole representative from Wolfville). The class now numbers sixteen with a very regular attendance at Church, Sunday School and their Wednesday evening meeting.

They have set out invitations for a social on Hallowe'en and have accepted a challenge to a game of Basket Ball from the "Live Wires", as the newly organized boys class in the Tabernacle is called.

From present indications it will take quite a lot to buck the "Crusaders", whether it be in attendance on Sunday, social duties or Athletics. The officers of the Class are: Doane Hatfield, President; Tom Dakin, Secretary; Gordon Mahaney, Treasurer.

AVONPORT NOTES

Mrs. F. F. Graham and little son Donald are spending the week with Mrs. Graham's mother Mrs. F. Curry at Hortonville.

Mrs. W. D. Withrow of Wolfville, was the guest of her friend Mrs. Wm. Holmes Jr. a few days last week.

Mr. Arthur Lockhart and son Coleman, of the Barge "Hamburg," are spending a week at their home here.

Messrs. Fred Graham, Wm. Holmes Jr. and Geo. Weagle left on Monday for Queens Co. on a hunting trip.

Mrs. Geo. Brooks returned on Sat. last from Wolfville where she spent two weeks.

Mr. and Mrs. Judson Hatfield of Port Greville, Cum. Co., spent the week end in Avonport guests of Mrs. Hatfield's sister Mrs. Geo. Brooks.

Albert Parsons, ex M.P.P. of Walton, was chosen the candidate for the National Liberal and Conservative party for Hants county in place of H. B. Tremain, ex M. P., who was nominated but declined.

Mr. O. G. Cogswell, of Port Williams, has sent to THE ACADIAN an apple of the Northern Spy variety which measured fourteen inches in circumference, any person who can beat this is invited to stand up.

FINAL NOTICE ABOUT TAXES

As intimated in Notice published last week, a warrant for collection of taxes is being prepared.

A large number have recently paid their taxes; therefore their names have been cut out of the warrant.

Those still in arrears are invited to pay at once and keep up as busy revising the warrant that very few names will finally appear thereon.

By order,
R. W. FORD,
Town Clerk

OUR WATER SUPPLY

The word insidious as used in an article on the above subject in last week's Acadian, is much more applicable to the said article than the report referred to. We refer our writer of insidious articles to the dictionary. The report was sent with the knowledge, if not the consent, of the Town Clerk. I also presume that some other town officials knew it was going.

If the engineer made the statements alleged of him (which I do not believe he did) then he simply did not know what he was talking about. Our next neighbor, Hantsport, is supplied from the Davison lake by a six inch pipe and no reports are at hand that the said lake is likely to go dry. Then just the day before the engineer arrived about an inch of rain fell on the mountain which caused the water to rise in the reservoir (not the artesian well as the engineer was led to think), and improved the look of things. If it had not been for this rain the engineer instead of complimenting the town on the good water supply, would have given the water committee a hint to get busy and do something practical, to increase the water supply. I made the remark in a previous letter that the water had never been worse than since the artesian well started. Of course I do not think that the water from the well is dirty; but the flock were led to believe that when the well started the days of dirty water would be over. I suppose that the dirty water that was in the bottom of the new reservoir just before the engineer came and when he came had found its way into the old reservoir had something to do with the quality of the water at present. I have suggested ways of improving the quality of our water supply more than once but the powers that be are not likely to take my advice except they be driven in a corner and find it necessary to do so, and then try to keep it dark by not letting my account come out in the regular way. If the writer of the article would just be man enough to come out and say plainly what he meant about the "insidious" attempt to knock; it would be much better. I do not believe that any person except the writer and the officials who prompted him ever thought I had any notion to knock. I think the knocking has all been the other way. Thanks to the weather man and not the artesian well our worries are over for another, and perhaps several seasons. The people of Wolfville need never be afraid of a water famine for the whole Gasperreau river is at our door and can be filtered and pumped into our reservoir at a trifling cost compared with the few barrels we got from the artesian well.

LORD'S DAY ALLIANCE

Mr. Spencer, representing the Lord's Day Alliance spent Sunday 16th in Wolfville. He spoke in the Baptist Church in the morning and in the Methodist Church to the United Methodist and Presbyterian congregations in the evening.

At the close of the evening services a meeting was held in the vestry of the Baptist Church for the reorganization of the local branch of the Alliance.

Mr. W. H. Chase retiring president occupied the chair and Prof. Sutherland was made Secretary of the meeting.

A hearty vote of thanks was tendered Mr. Chase and Dr. Oakes for their many years of faithful service.

The following officers were appointed: President—Edson Graham. Vice President—Morgan Tamplin. Secretary—Dr. I. B. Oakes. These officers together with the ministers of the town to form the Executive.

GASPEREAU ATHLETE

Bartley L. Atwell, of Gasperreau, who competed in the Herald and Mail ten mile race at Halifax on the 15th, made a splendid showing considering his condition. He was hit by a car at the start of the race and lost several minutes or he would have been among the first to finish. Local sporting men who saw the race state that Atwell is an ambitious runner who will be heard from in the future. He will compete in the indoor meet to be held in Amherst next month.

KILLED ON THE TRACK

An effort to save his Studebaker from being smashed by No. 9 Express at Maccan crossing was the means of John Bowser, on Friday morning last, losing his life. He had been working at Athol and had visited his home near Amherst during the evening and was returning to Athol in his car accompanied by Leonard White, Amherst.

At the turn of the road at Maccan, near the level crossing they saw the lights of the express, coming through the cutting at Stoney Half Mile. Bowser, thinking to make the crossing ahead of the train, attempted to make the grade without giving his car extra power, with the result that the motor slackened down. Throwing on more power the car stalled in the middle of the track. The train was then near at hand and White jumped to safety, but Bowser in a final effort to move his car remained too long, and was struck by the express, smashing the car into fragments and being piled himself in the wreckage. Evidently death was instantaneous.

The deceased was for some time a resident in Wolfville, being employed as a brick layer on the new school building, while in Wolfville he boarded at Mrs. Davison's, Gasperreau avenue.

HERALD AND MAIL ROAD RACE

There was a record number of contestants in the Herald and Mail Road Race on Saturday last. The course was ten miles and the winner was Victor MacAuley, of Windsor, who set a record for the Herald Marathon of 55 minutes, and 35 and 2-5 seconds. John Bell, of Newfoundland, came in second in 58 minutes and 33 seconds. MacAuley hopes to return next year and turn in the win that will give him permanent possession of The Herald trophy.

Since Adam gave up wearing foliage there never has been better Overcoats than you can see here today.

Never before such a selection of clothes for service and durability which for appearance they cannot be excelled. They are here, close fitting or loose, long or short, light or heavy, rough or smooth, with plain or roll collar. In fact you can see the exact coat you want and at a price you'll appreciate.

You put value into clothes this Fall you've got to know today's replacement cost.

Here you pay only what the clothes are fairly worth today.

Regardless of cost at the time we bought the fabrics.
