FOR GROWN UP CHILDREN.

The CHILDREN'S RECORD would like to go to many new places this year.

Its aim is to interest the children of the Church in our missions.

The work of the Church ten or twenty years hence will be carried on by those who are now children. If we want an active working Church then we must work for it now.

All receipts of the CHILDREN'S RECORD after paying cost are given to missions.

Please try a small parcel this year if you have not already done so, and then if it is not liked give it up.

Parcels of sample copies will be sent free to any address.

If any one knows of a place where samples might be sent will they please send word.

Subscribe for a small parcel to be sent to some poor district and you will be doing good mission work at Home and Abroad.

Ten thousand copies of CHILDREN'S RECORD were printed monthly last year. This year we want to make it *fifteen thousand*. Will all the friends of missions, and those want to make the church of a few years hence a missionary church, help a little in the work and the *five thousand* more will be gained.

ANOTHER HUNDRED DOLLARS

FROM THE YOUNG PEOPLE
FOR MISSIONS.

Good news for you, young people. Your RECORD sends another hundred dollars to Foreign Missions. This makes two hundred dollars that it has been able to send and it is just to years old. As the paper is yours, the offering is yours, and the more widely you circulate it the more money it can earn to send to the heathen glad tidings of a Saviour from sin.

GOOD WISHES.

Dear young friends—"We come—we come—we come again to greet you"—and wish you all a good New Year. May you live to see many of them, and may each one be better than the last until goodness and happiness are made perfect in that glad New Year in the better life that shall never grow old.
