## THE Greatest of all Reference Works at One-fourth Price Sent on Approval for Examination

This magnificent reference work, costing three-quarters of a million dollars to produce, is a dictionary and encyclopedia combined. In fullness of definitions, number of words defined and accuracy, it is superior to reference works selling for five times its price. It has been recently revised and enlarged by a staff of the world's greatest editors. Its five big volumes contain an inexhaustible mine of information on every subject, defining 250,000 words. Our bargain offer takes off more than two-thirds the price, and we pass the work on to you at less than one-fourth what any other first-class reference work would cost. We send the complete set to your home, all transportation charges prepaid, keep them three days, and if you decide to retain them send us one dollar, and one dollar a month for twelve months—IN OTHER WORDS YOU GET THIS \$42.00 SET, THE GREATEST REFERENCE WORK EVER PUBLISHED, for \$13.00, and on payments of **Less Than Four Cents a Day.**

We want you to know this great set of books, and we want you to know of the remarkable opportunity which we are offering you to secure it.

We will send you the entire set of five volumes, transportation charges prepaid, and if you don't want them, return them at our expense.

### UNDERSTAND

Please understand why we can make this remarkable offer—a regular \$42.00 set of The New American Encyclopedic Dictionary—the greatest reference work ever published—for only \$13.00, and on payments of less than **Four Cents a Day.**

We secured a few sets of this work in exchange for advertising from the largest book manufacturing house in the world and we must turn them into bills receivable immediately, and that is why we can make CANADIAN COURIER READERS this most exceptional offer.

### FIVE MASSIVE VOLUMES

There are five volumes, each one foot tall, one thousand pages each, three columns to the page, handsomely bound in heavy buckram, printed from new type on the finest quality paper, containing nearly fifteen thousand illustrations. It is up-to-date in every particular, it is absolutely reliable; the names of its editors are among the greatest in every field of research. As a Dictionary it defines 25,000 more words than any other Dictionary ever published. As an Encyclopedia it treats 50,000 subjects, covering the whole field of human knowledge.
