## LOST

An unmarked Sentinel 5 1/4" diskette was taken from the right side of the room in E11, Head Hall as you walk in. It was either by the last computer, its diskdrive or its printer in the above mentioned room. This diskette has over 200 hours of research work on it as well as some rare information from as far away as the University of California. This is a term project that is due in a very short time and it is not quite finished. This diskette is worth my entire grade and it would be much appreciated if you would at least give me a hard copy of the entire diskette and leave it taped to the door of E11. (If yo are in need of the

diskette, tape it to the door instead).

If it is the disk storage that you need, then I'll gladly supply you with some diskettes and some software if you wish. There is a reward offered for the person who leads me to the diskette. If you wish to play "Hide and Seek", hide the diskette and call to tell me where it is. Please. Call Andy or Nancy in Room 214, Tibbets Hall - 454-4915.

One pair of prescription sports glasses (Look like squash glasses). If found please call 455-0604.
