

C 27469

As to residence of power, with us it is divided
of local in character it goes to provinces
if general " " " " " down more

Sec 92. gives 16 subjects upon which provinces are to have exclusive jurisdiction

What are class of local or private nature?
embrace only the last class - the 76th class
an unenumerated class.

Note

Now read Sec 91 & 92 together we find
Province - That 15 ^{unmarked} ~~sub~~ in 92 none can fall in 91
Dolomieu - Of the 15 sub in 91 will go to common
Province - Sub 16 - 892 raptors 3rd, 'local private'
Dolomieu - Then if anything unmarked goes to
common - the residue general in character

There are certain Sec's relating to distribution of property 709
