Ottawa, 30th Jan., 1903.

Sir,-

This Department desires to ascertain approximately what has been the average total expense each year of publishing the plates that have appeared in ~~its~~ annual report.

It is understood that you could not furnish the figures for the last report for some little time, but a statement of the cost of the plates published in the report of 1901 would suffice.

I shall be glad to receive this information from you at your convenience.

Your obedient servant,

F. D. M. Lean

Secretary.
