

153 602/130-

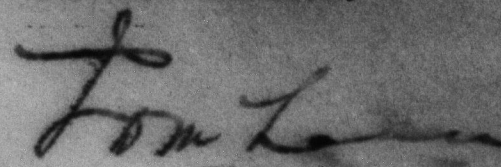

Ottawa 11th April 1904-

Sir,

In reply to your letter of the 7th Instant, enclosing several leases for execution, I have to request that in future when sending leases to the Department you will be good enough to forward each lease under cover of a separate letter.

With regard to lease to Samuel Geddes covering part of Lots 7 and 8, Con. A, Tyendinaga, I have to inform you that according to the Books of the Department, the larger part of these lands belongs to Francis F. Maracle, who received as his share of the rental under Lease No. 130 the sum of \$33.00 per annum while Mrs. Catherine Sero received only \$8.25. Kindly explain why you now forward a lease covering the whole land signed only by Mrs. Sero.

Your obedient servant,

Secretary.
