Ottawa, November 25, 1913

Rev. Sir,-

With reference to official letter of March 15, 1912, in which leave of absence was granted to Malcolm Thomas Andy and Christine Flora Andy, whose names have not appeared on the quarterly return received from the Keeseehouse Boarding school since that time.

You will be good enough to advise the Department as to whether there is any likelihood of these two pupils returning to the school, and if not, you should apply for their discharge.

Your obedient servant

Assistant Deputy and Secretary
