STATEMENT BY TIMOTHY WALLACE.

North Easthope, Huron Tract,

19th Sept. 1842.

I am a native of America, and came to reside on the Lot I live on, being No. 1 in the third concession of this township of North Easthope, in April 1836, a few days after I was married. I had lived at St. Catherine's, at the head of Lake Ontario, some time previous to 1834. In this year (1834) I got this Lot, and I began myself, being a single man, in the summer of that year to chop and clear ten and a half acres, which I accomplished, and I put in that fall a crop of fall wheat. I had hired a man for two months, and another for five days, to help me. My personal property, or property exclusive of the land, was then about the value of seventy dollars, after paying my debts, and in this property is included a yoke of oxen, which I afterwards sold.

I went out to work the following year, 1835, having previously sold the crop of growing wheat on the ten and a half acres. I, however, got sick, and being some time unwell, the expense attending this sickness was as much as I gained.

In March, 1836, I married, and removed to my lot of land shortly after, as I have stated in the outset. I had then the loan of a yoke of oxen and a cow. I gave out a job of chopping and clearing about fourteen acres, and I boarded the men, and this assistance, with what I have first mentioned, is all the help I have
