## CIVIC ADMINISTRATION.

Prince Rupert's policy has been to maintain all its franchises for public services. The civic government is controlled by a mayor and six aldermen. The mayor receives a salary of \$2,000 and the aldermen \$400 each. Under the adopted system of taxation improvements to property do not contribute to the revenue of the city. Land values only are taxed.

## A CITY BEAUTIFUL.

Prince Rupert is destined to be the most beautiful city in America. Situated at the base of a precipitous, heavily-timbered mountain, the site overlooks many miles of sea and islands and distant hills. The elevations are varied and the topography irregular. The plan of the city, however, was prepared by expert landscape architects and the streets, avenues, parks and squares were so planned that the majority of the lots in the city have scenic views unrivalled anywhere on the continent. The avenues were designed to get the best gradients for traffic. They are comparatively wide, and as all blocks are but two lots deep buildings will pri-
