

Election Notes

Re-elect Controller J. J. Ward.

Controller John Shaw feels proud of his part in framing the agreement of the city with the street Railway Co., which is proving so strongly in favor of the city in the courts. Controller Shaw has had twenty years' experience in the Council and he guards the citizens' interest well.

Controller W. P. Hubbard is seeking re-election on his past record. Controller Hubbard has had long and active service in the city council and has proven capable and energetic.

Ald. S. Alf. Jones is out for controller. As chairman of the Island Committee Ald. Jones has done noble service. He seeks representation on the Board of Control with a policy of energy and progress.

Many of our friends will be pleased to see Thos. A. Hastings on the Board of Control for 1906. He has done noble services in his former capacity as Chief License Inspector and no doubt will do good work in the Council.

Vote for J. J. Ward for Controller. Make sure his return. He has the best interests of the city at heart and is energetic and worthy of another term.

The business interests in the East End, as well as the wage-earners, will benefit by the election of such a progressive man as Jas. Wilson.

Ald. W. T. Stewart in Ward 1 points to his record in Council and should be returned.

E. Hales in Ward 1, through many years in the service of the city, has gained the esteem of his fellow-citizens and will likely be elected.

The attention of our readers is called to the card of Ex-Ald. Jos. Oliver in another column. It is in Ward 2 that Mr. Oliver seeks re-election as alderman.

Ald. Church's return should be made certain in Ward 2. He is a young man of ideas and has been a valuable member of this year's council, having a good idea of municipal matters, he has made a straight-forward representative.

Mr. David Carlyle has had previous experience in the city council with credit to himself and his supporters. There is a large number of candidates in Ward 2, but Mr. Carlyle will likely be returned.

Mr. James Hales in Ward 2 has served the city well on the Board of Education. He is straight-forward, earnest and Liberal in his views. An old resident of the city, he knows its interests and would continue good services if elected as alderman.

The address of W. S. Johnston to the Electors of Ward 2 will be found in another column. Mr. Johnston is not a ward politician, but seeks election as alderman with that pure public spirit which we must commend to any special interest, trust, corporation or combine, but pledges himself to advocate and support measures tending to the advancement, material growth and prosperity of the city. Mr. Johnston should receive the support of our readers.

Mr. J. W. Bengough in Ward 3 has a strong platform. He is particularly interested in—curbing monopolies, the Yonge street bridge, the revision of the taxes of corporations operating city franchises, and the carrying out of the people's will as expressed on questions voted upon.

Ald. W. S. Harrison has given the people of Toronto good service and has been careful, energetic and progressive.

During the past year Ald. Vaughan has given the closest attention to his aldermanic duties. He has faced every issue squarely and voted on each question as his judgment showed him was in the best interests of the citizens.

Ald. J. B. Hay in Ward 5, from his record in the City Council, deserves another term. He has proven to be one of the best.

Ald. Keeler should be returned in Ward 5. He has a good record in Council.

Ald. J. H. McGhie in Ward 6, points to his record in the past and asks the support of the West-Enders. Ald. McGhie will likely be returned.

In Ward 6 Ald. J. J. Graham solicits another term. Twelve years he has been in the City Council, 2 of which he was controller. The past two years he has been chairman of the Legislation and Reception Committee, with credit, and through his endeavors some twenty new factories have located in the West End in 1905.

J. H. Adams should be chosen as the new member for Ward 6. He is a thorough business man and would do well in the council.

In Ward 6 Ex-Ald. J. Harvey Hall has re-entered the field and his return to the city council is almost certain. Had he had enough followers among the city fathers in 1902 the Lansdowne avenue crossing would have been settled, and the railways paid half the cost. Now if we are to have the crossing we must bear the whole cost ourselves.
