

THRESH FAST BUT THRESH CLEAN ALWAYS

Warehouse and Elevator Dockage is heavy and reduces the profit that you anticipate when fast threshing is done by a sloppy machine.

Beat Out The Grain Throw Out The Straw, Chaff and Dirt The RED RIVER SPECIAL Way

The milling of this marvelous machine is as good as its separation of the grain. The crop comes clean and ready for market, because it is built to do thorough work and plenty of it with every part. The mill is no exception

It Saves The Farmers' Thresh Bill Its Work Comes Clean

There are plenty of big grain farmers who insist on having their threshing done by a Red River Special. Other machines have fooled them on net results. You had better send for a copy of the Home Edition of the Red River Special paper and find out what kind of machine your own neighbors prefer before you buy a new threshing rig. The Big Catalog may help you to make your choice. Have one sent with the paper.
