MARKET REVIEW AND FORECAST

Toronto, Monday, September 27.-Fruit growers will be interested to learn that the first shipment of Ontario peaches as received by Mr. Hodgkin, of London, England in excellent condition. It is said to be fetching the highest price in the market. Splendid samples of fruit have been brought down from New Ontario, which goes to show that there are no more real grounds for pessimism to permit to grow over as unfit for settlement. Reports of the world's crops show better percentages all over, owing to recent favourable weather. Business in all parts of the Dominion is progressing satisfactorily. Call money in Toronto rules at 5 to 6 per cent.

WHEAT
There was a tendency during the past week for speculative trading in Chicago, but lower cables from Liverpool consequent on favorable reports from the Argentine, effectually dampened the sentiment, and a consequent lower. At last advices, September wheat in Chicago closed at 95 1/2; December, at 100; and May, at 105 1/2.

Local dealers quote as follows: No. 1, Northern, 81.00; No. 2, 81.00; No. 3, 81.00; at lake ports for immediate shipment; Ontario wheat, No. 2 winter, 90c to 92c out-side.

On the farmers' market, fall wheat is selling at 90c to 92c a bushel, and goose wheat at 90c to 92c a bushel.

COARSE GRAINS
Coarse grains have for the most part been sharing the fate of wheat, and prices have declined on almost every variety of grain. Oats are holding their own in the face of this general depression. The following are the latest quotations by local grain dealers: Canada western oats, No. 2, 50c; No. 3, 47c; at lake ports for immediate shipment: No. 2, Ontario white, 35c to 36c; No. 3, 32c to 33c outside; 36c on track. American corn, No. 2, 65c; No. 3, 64c; Toronto freight: rye, 67c to 68c out-side; barley, 50c to 52c outside; peas, 79c to 80c a bushel.

POTATOES AND BEANS
Potatoes are said to be a failure in some sections this year, but there is a plentiful supply coming into the market and the quality is good. Prices remain steady at 65c to 70c a bushel in car lots, and 75c a bag ex store. New beans have not appeared on the market yet, and old stock are quoted at \$2 to \$2.10 a bushel for three pound pickers. On the farmers' market, potatoes are selling at from 45c to 50c a bushel.

DAIRY PRODUCTS
There is a very heavy make of butter at the present time, and the market for the heavy shipments from country districts the demand is fully equal to the supply, and prices remain firm. Wholesalers quote prices as follows: Choice creamery prints, 25c to 26c a lb.; choice dairy prints, 21c to 22c.

separator prints, 23c to 24c, and ordinary quality, 18c to 20c a lb. On the farmers' market, choice dairy butter is selling at 25c a lb., and ordinary quality at 23c to 24c a lb. Sound as a Dollar
That's the only way you can afford to keep them, because any lameness means less work and less profit to you.

Spavin, Splint, Curb, Sweeney, Ringbone, Swelling or Lameness need not prevent your horses from working. Simply use Kendall's Spavin Cure. It works while the horse works - takes away the pain - relieves swellings - makes legs and joints sound and strong - leaves no scars or white hairs because it does not blister.

Kendall's Spavin Cure

has been the horseman's standby for 40 years and is used all over the world. Burns, Ont. Sept. 10th 1909. "I have used Kendall's Spavin Cure and it cures Old Shavers Cases."

WILLIAM H. DOUD. Keep your horses sound as a dollar. Get Kendall's today and you will have it tomorrow if needed. It's a bottle - 6 for \$5. When you buy, ask for free copy of our book "A Treatise On The Horse" or write us. Dr. B. J. KENDALL CO., Eastbury Falls, Vt.
