## THE HILLHURST HERD OF SHORTHORNS.

We are in receipt of the private catalogue of the Hillhurst herd of high-class Shorthorns, which embraces the pedigrees of 63 head, 36 of which have been imported from Great Britain within the last two years, and include representatives of many of the best-known Scotch families, as well as a few excellent specimens of the Cumberland and Gloucestershire strains, combining deep-milking qualities with size and thick flesh, which, bred to the very superior Scotch-bred bulls in service in the herd, are reasonably sure to produce ideal utility cattle. In 1899 the great dark roan Collynie-bred bulls, *Scottish Hero* and *Joy of Morning*, were imported, and it is safe to say that no herd in America to-day can boast of two better bulls in breeding and individual merit; indeed, it would probably not be going too far to claim that no herd on the continent can show two that are their equal.

*Scottish Hero*, coming two years old in this month of May, is of the same breeding on the side of both sire and dam as the Royal champion *Marengo*, being sired by the Cruickshank-bred *Scottish Archer*, and out of *Missie* 134th by *William of Orange*, the best Orange Blossom bull ever bred at Sittlyton, used for many years in the Upper Mill and Collynie herds, and with perhaps the exception of *Heir of Englishman*, the most impressive sire ever used in either herd. *Scottish Hero* is lengthy, low set, broad of chest, has well-sprung ribs, full crops, long level quarters, big thighs and broad buttocks, an ideal head, and the best quality of flesh, skin and hair.

*Joy of Morning*, a year old past in December, also bred by Mr. Duthie, was the highest priced Scotch-bred bull imported to America last year, and was sold at the last Collynie sale to Mr. W. S. Marr, of Upper Mill, where he was secured for Hillhurst. He is one of the best sons of the great *Pride of the Morning*, whose record as a sire of Royal and Highland Society winners is second to none, his produce being uniformly wide-ribbed and big-fleshed like himself. The dam of *Joy of Morning* is *Jessie* 2nd, of the Jealousy tribe, by *Scottish Archer*, a Sittlyton Secret by *Cumberland*, whose dam was by the Royal Northern prizewinning *Pride of the Isles*, purchased when a yearling by Deane Willis for 300 guineas, now a principal stock bull at Collynie, and considered by Mr. Duthie one of the best animals and one of the best sires he ever owned. There are in the catalogue two richly-bred and personally promising young imported bulls, 14 months and 5 months respectively, a red and a roan, both of the favorite *Miss Ramsden* family, the latter bred by Mr. Duthie, sired by Mr. Bruce's Silver Plate, dam by *Scottish Archer*, and grandam by *Field Marshal*, the former by a son of *Star of Morning*. A very taking, richly-bred and substantial red 2-year-old bull is *Pine Grove Monarch*, a high-class show bull by *Royal Gloster*, of the Sittlyton Duchess of Gloster tribe, and by the Cruickshank *Victoria* bull, imp. *Indian Chief*. Space forbids individual reference to the grand herd of females, which rank with the best in the Dominion, and must be seen to be fully appreciated.

Hillhurst is historic ground for Shorthorns, and the extensive and well-governed management of Mr. Cochran is a guarantee that the herd will be kept up to the highest standard. Parties looking for good things in this line will do well to write for his catalogue, communicate with him, and visit the far-famed establishment where grand Shorthorns, Shropshires, Hampshires and Dorsets luxuriate on the rich pastures of this Lowmore farm on the banks of the River Tyne. The above section is one of the best of the charming sections of Canada. Hillhurst Station is on the Portland division of the Grand Trunk Railway, 117 miles east of Montreal, 15 hours from Toronto, and 36 from Chicago.
