we make this liberal offer because we desire to give a present sufficiently large to induce every one to give Dobbins' Electric Soap a trial long enough to know just how good it is. If, after trial, they continue to use the soap for years, we shall be repaid. If they only use the fifteen bars, getting the dollar's worth of music gratis, we shall lose money. This shows our confidence. The Soap can be bought of all grocers—the music can only be got of us. See that our name is on each wrapper.

A box of this Soap contains sixty bars. Any lady buying a box, and sending us sixty cuts of Mrs. Fogy, can select music to the amount of \$4.50. This Soap improves with age, and you are not asked to buy a uscless article, but one you use every week.
