HEART TO HEART

DESERVES SUPPORT

I certainly admire your stand for the farmers of Canada and believe that a journal of your class should be supported and appreciated by the farmer. In view of this statement I am sending you my subscription and hope to receive the next number of The Guide.—P. M. Farrer, Carleton Place, Ont. 11-13

FARMERS' ORGANIZATION NEEDED

I do not want to be without The Guide. It is the only paper in Canada that we know of that has taken up the farmers' cause. I hope to see the day when the farmers will be organized and doing business for themselves and get in the front seats where they belong.—Chas. G. Quinn, Lake Johnston, Sask. 18-11

BEST OF ALL

Your paper is doing for the farmer more than any other journal published.—J. W. Fairchild, Brownlee, Sask. 18-11

HE'LL COME BACK

As my subscription is running out you can stop my paper and I can invest my money in a better paper than The Grain Growers' Guide.—Jas. Rusicka, Prague, Alta. 18-11

HE MEANS BUSINESS

I am one of the readers who will never be without The Guide in the home.—A. Nentwig, Eli, Man. 18-11

DON'T ALL THINK ALIKE

While I do not agree with your opinions as regards the benefits we farmers, and others, would derive from reciprocity, I consider you are doing a valuable work in stirring up evils and combinations against which we have to fight.—E. B. Bell, Nokomis, Sask. 18-11

WELL PUT

I want to give you a word of encouragement in your great fight. Although I often differ from you and the arguments set forth in your valuable paper, I have to own you are fighting against great odds and so I wish you and the cause, which are so weak and yet unknowingly so strong, the success that right always deserves above might.—L. T. P. Holmes, Fernie, B.C. 18-11

HE IS WIDE AWAKE

You did just the thing I wanted you to do when you kept on sending me your paper. I can simply not be without it as I consider it to be the best paper in Canada, at least in my opinion.—Anton Gware, New Sarepta, Alta. 18-11

YOU SURELY ARE

MORE READERS NEEDED

I have been trying to encourage farmers to subscribe to The Guide. I feel pleased to see a number more Guides in the post office. Thanking you for your kindness.—John Aikenhead, Hartney, Man. 18-11

A BIG MISTAKE

I think your paper a most excellent one because it explains the true state of affairs in Canada. I wish you every success in your efforts to show the farmers of Canada how they are being deceived by the special privilege class and the great corporations. I think the time is coming yet when the people of Canada will wake up to the great mistake they made in rejecting reciprocity, and strangle this mighty octopus.—P. Lindsay, Drummheller, Alta. 18-11

GOOD EVERYWHERE
