Ontario is to have a new law governing the adoption of children. The measure was introduced in the house by Attorney-General Raney who pointed out that up to the present there has been no adoption law in the province. The bill briefly will permit any mature person to adopt a child and make that child to all intents and purposes his own, with the same inheritance and all legal relationship.

SURPRISED BY NEIGHBORS.

Last Friday evening the neighbors of Mr. and Mrs. Herbert E. Stemmler sprang a pleasant surprise on them, by assembling at their residence and presenting them with the following address and a fine rocker before their departure for their new home near Newton. The address was read by Rev. R. M. Haller. Mr. Stemmler thanked the friends for their thoughtfulness, and assured them that he would never forget the kindness of his friends in Carrick.

Mr. and Mrs. Stemmler:
We your neighbors and friends have assembled here to-night to acknowledge that your removal from our neighborhood is deeply regretted, and we will certainly miss you.

During your residence in our midst we have always found you straightforward, honest and ever willing to help anyone in need.

Therefore, dear friends, accept this rocker as a mere token of our appreciation. We hope that you may be spared many long and happy years to enjoy your new home and neighborhood.

May happiness and prosperity always be yours.
Signed on behalf of your neighbors and friends.
