WANT AD HORSCOPE

June 23. It is difficult to understand a person born on this date and oftentimes a person of this birth date goes through life a puzzle and an enigma to his or her friends, and to himself. These people come under the sign "Cancer", and if you look at the symbolic pictures of the Zodiac, you will find that this nativity of Cancer is represented by the crab. Some of the greatest people of the world have come from this sign and some of the weakest.

The strong characteristic of this birth date is determination which amounts to stubbornness in many cases.

It is useless to argue with persons of this birth date. They are extremely nervous and irritable and often want to get away from their surroundings.

This birth date has much to overcome, but strength and success follow individual effort.

The period following this date will be found to be well favored for teamsters, travelers, automobilists and sales of motor boats through the Want Ads.

The Want Ads should be studied for the finding of rooms, Summer cottages and hotels.

FOR SALE!
