FARMERS' INSTITUTES.

The valuable character of the work of the Farmers' Institutes in raising the standard of agriculture, and encouraging improved methods of farming is generally recognized. The report of Superintendent Creelman for last year has just been issued by the Provincial Department of Agriculture, containing a great deal of valuable matter, embodying the latest conclusions of specialists in every department of farm work. It comprises, in addition to a record of the progress of the movement, a number of papers and addresses read at Institute meetings, with explanatory diagrams and illustrations.

Among the changes made in the system, with excellent results so far, is the transference of the lecture work heretofore carried on by the Horticultural Societies, to the Department of Farmers' Institutes. A number of local bodies will in future hold their meetings at the nearest fruit experiment station, where they will have the benefit of practical instruction in grafting, spraying, etc.

The subject of poultry has received much attention. Special poultry meetings have been held at which leading poultry specialists gave demonstrations as to the best methods of killing and dressing poultry in accordance with the requirements of the market. Among the speakers at these gatherings were W. R. Graham, Prof. A. G. Gilbert, J. E. Meyer and G. R. Cottrell, well known poultry experts.

A notable feature of the year is the striking increase in the number of Women's Institutes, of which there are now 32 in operation, some of them having a membership of over 100.

As in previous years excursions have been run to the Agricultural College, giving many thousand farmers an opportunity to become familiar with the most modern process of scientific agriculture.

Action was also taken to promote the attendance at the Provincial Winter Fair, with the result that 1518 members, representing 34 Institutes, were in attendance. A special program was provided for Institute workers, and addresses delivered by a large number of prominent agriculturists and instructors.

Seed Fairs have been established in connection with four Institutes, viz. East York, South Wellington, West Wellington and South Grey. These are held annually in March, and the farmers bring their best samples of grain for sale or exchange.

A leading topic of Institute meetings was that of cold storage, regarding which a good deal of valuable information has been furnished. During the meeting of the Experimental Union the delegates visited the cold storage plant of the Agricultural College and received an insight into the process of refrigeration.

An important step in the interest of the work was taken by the appointment of Superintendent Creelman to the position of assistant secretary and editor of the Association of Canadian Fairs and Exhibitions, which will give additional opportunity for advancing the movement.

Very substantial progress was made during the year covered by the report. Later information gives the total membership of the Farmers' Institutes in June last as 20,387, as compared with 18,058 for the previous year. The banner local Institute is that of Halton with a membership of 748.

PAN-AMERICAN DAIRY HERDS

The Guernseys still maintain their lead in the Pan-American model dairy and it is generally conceded that they will win the butter-fat test unless some accident befall them. For the week ending Sept. 10th the standing of the herds was as follows:

Guernseys	\$7.35
Jerseys	7.29
Holsteins	8.13
Ayrshires	6.35
Red Polls	6.15
Brown Swiss	6.10
Shortborns	5.80
French Canadian	5.80
Polled Jerseys	5.38
Dutch Belted	4.08

The following is the standing for the week ending September 17th:

Guernseys	\$7.80
Jerseys	7.36
Holsteins	7.14
Ayrshires	6.46
Red Polls	6.37
Shortborns	5.98
Brown Swiss	5.79

French Canadian	5.78
Polled Jerseys	5.13
Dutch Belted	3.88

Average attendance, 33.

JENNIE M. A. EYRE, Teacher.

—The Benfrew Creamery turns out 1400 lbs. of butter daily.

BROCKVILLE

CUTTING SCHOOL

IN ORDER to meet the demand for first-class cutters, which is steadily increasing, I have opened up in connection with my tailoring establishment a Cutting School, to be known as the Brockville Cutting School where the latest up-to-date systems of cutting will be taught, also instructions on the practical work of the tailor shop, which is most essential for a young man to become a first-class cutter, and which will enable him to command a salary of from One Thousand Dollars to Fifteen Hundred Dollars per year in this country and from Fifteen Hundred Dollars to Two Thousand Five Hundred Dollars per year in the United States. This is a rare chance for young men to fit themselves for a lucrative position in a short time. Persons attending this school will receive a thorough training in everything connected with Garment Cutting, and after graduating are competent of filling a position as custom cutter at once.

Pupils will be taught individually and may commence their instructions at any time convenient to themselves. For all information, see catalogue, which will be mailed to you upon application.

Yours truly,

M. J. KEHOE
Brockville, Ont.

LYN AGRICULTURAL WORKS

When Pigs are worth 7c a lb, it will pay to rush them to market.

Cut your roots with the

GIANT ROOT CUTTER

and cook your feed with the

ECONOMIC COOKER

which is much improved this year. Heavier tanks with independent bottoms. Grates with ash pit and dumper below

Also Planet Wheels, Pinions, Couplings, and other repairs for the Hall or Oshawa Horse Powers. Plow Points, almost any pattern, **four for \$1.**

Old Metal wanted—Good as Cash.

Box 52, LYN.

GARRIAGES :- GARRIAGES

The subscriber wishes to inform the people of this community that he has now on hand the largest stock of first-class carriages that has ever been offered for sale by him up to the present time.

All are thoroughly reliable and up to date in style and finish. Wheels, which are of such great importance to a carriage, are of the best. Not one inferior or slop wheel is used in any of my work.

Intending buyers if they will consult their own best interest, will give me a call before buying elsewhere, and, if prices are right patronize home industry and keep your money at home.

D. FISHER.
