THE ACADIAN.

WOLFVILLE, N. S., JULY 20, 1888

Local and Provincial.

REAL ESTATE.—We understand that Mr. A. A. Pines has purchased the farm of Mr. D. R. Thomas at this place.

MOWS.—The grass on the Old Burying Ground has been mown this week and it presents a much better appearance than before.

TELEPHONE.—Mr. S. P. Benjamin has been stringing the wire between his residence and the mills this week. Communication will be had at once and will be a great convenience.

RAISED FROM THE FLAMES.—The Annapolis Spectator made its appearance at its former size on Friday last. May our contemporary's future prosperity compensate for all losses!

PERSONAL.—Prof. A. E. Caldwell, wife and son, arrived home from a trip to New York and other American cities on Saturday evening last. Mr. Frank DeWolf arrived home on Friday last for his usual summer vacation.

EXCURSIONS.—We understand that another steam-boat excursion from Wolfville is to take place about the middle of next month—a moonlight sail on the basin would be pleasant and we think it would be a good undertaking for the right parties.

EGGS. 16c. 16c. for Eggs at Prat's

The Government candidate in Cumberland was elected on Friday last by a majority of over 700 votes. Mr. Dickie is said to be well qualified for the position to which he has been elected. If he does as much for his constituency as his predecessor his constituents will not have much to complain of.

STRAWBERRY FESTIVAL.—The strawberry festival given by the ladies of St. John's church in Witter's Hall last Wednesday evening was, as is always the case, a success both financially and in point of merit. A large number went and spent a very enjoyable evening. The receipts amounted to about \$57.

A big stock of Stone Butter Crocks at B. G. Bishop's.

ACADIA LODGE.—A pleasant time was had at the meeting of Acadia Lodge, I. O. G. T., on Saturday evening last. The attendance was good and the Lodge was well entertained. Strawberries and cream were provided and fully enjoyed by the members. Several new members were initiated. R. R. Duncan, the new G. W. C. T., was present.

VIA YARMOUTH.—The S. S. Yarmouth arrived at Boston on Sunday at 11:30 a. m. and her passengers were in New York at 7 p. m. No other line can compete with this in making good time and she is crowded with passengers. It is the shortest sea voyage—and a lovely trip through the Annapolis valley at this season of the year. The owners of this fine steamer are reaping the reward of their enterprise.

FATHER CHINIQUEY.—We are glad to be able to announce that Father Chiniquey will be in Wolfville on Sabbath and preach in the Presbyterian church in the afternoon at 3 o'clock. It is also expected that he will give an address on Monday evening. If so it will be announced at Sabbath meeting. No doubt a large number will avail themselves of the opportunity of hearing this grand old patriarch of whom we have all heard so much.

WOMEN! WOMEN!—A big stock of London Purple at B. G. Bishop's.

John R. Clark, the orator who so charmed audiences all over the Province last autumn, returns to Nova Scotia again in September. For the last two months he has been in New York state and Philadelphia where the press has pronounced him the King of the platform and the greatest entertainer on the continent. He comes to this Province by engagement with the Nova Scotia Lecture Bureau. We hope he may visit Wolfville another visit.

B. G. Bishop sells Greenhead lime a \$1.50 per cask.

BUILDING OPERATIONS.—The work on Assembly Hall is being pushed vigorously and the building will soon be completed.—The residence of Lawyer Hamilton is making good progress and will be completed early in the autumn. It will be quite an addition to our town.—Quite an amount of repairing is being done and carpenters and masons are busy.—Mr. John Caldwell is building a house at Gasper.—Councillor Jehiel Davidson is having built a neat residence on his farm at Gasper Mountain.

A lot of Hay Rakes Forks &c. at cost at B. G. Bishop's

Why Do They Sell At Sight?

Local and Provincial.

THE TEACHERS' CONVENTION.—Dr. Sawyer, Prof. Keirstead, Inspector Roscoe; and A. Mc. N. Patterson of Horton Landing, are attending the Teacher's Convention at St. John this week.

LOWER HORTON.—The services of the Methodist and Presbyterian churches of Lower Horton will be held in the church of the former next Sunday morning, and Father Chiniquy will preach. The collection will be for the benefit of the speaker.

HAYING.—Haying has commenced in this vicinity. Already several of our farmers have large areas of grass mown. The crop, concerning which grave doubts were entertained during the early part of the summer, has been greatly benefited by the subsequent rains, and the indication is now that a good average crop will be harvested. It is estimated that nearly a third larger crop will be gathered from the dykes this year than last.

At the Teacher's Examinations, held throughout the Province last week, sixteen candidates have written for grade A License. Of these nine are graduates or undergraduates of Dalhousie, two of Acadia, and one of Kings; the remaining four are Normal School graduates and Grade B teachers, who have been prepared for examination by private study.

TEMPERANCE DRINKS.—Bigelow's Ginger Pop, nice drink on a warm day, at SHAW'S.

WELCOME.—The new Methodist minister, Rev. Mr. Harris, occupied the pulpit of the Methodist church last Sunday morning and evening. He was thoroughly appreciated on both occasions. In the evening he preached from the text—"I have trodden the wine-press alone; and of the people there was none with me."

Isaiah 63:3. The sermon was a good one, well delivered, and showed much thought. Considering this is his first circuitous future, we welcome him to our town and wish him every success in his work here.

B. G. Bishop sells mixed paints at \$1.40 per gallon, the best in the market and all shades.

THE INTERNATIONAL LINE.—The steamer New Brunswick, of the Annapolis direct line, to and from Boston, arrived at Annapolis on Tuesday last week with a very large number of passengers, at 10:30 a. m.; and returning from Annapolis the same afternoon arrived in Boston at 3:15 p. m. Wednesday. Her passengers speak in very high terms of this popular steamer, and all her appointments, especially the "dinner table." Her increased speed will of course add to her popularity. Leaving Wolfville at 10:50 a. m. and arriving in Boston next day at 3:15 p. m. and only having to make one change, and in a side-wheel steamer too, is good enough.

FIRE AT WALLBROOK.—Wednesday evening last at about 7:30 o'clock, Mr. C. M. Vaughan, of Wallbrook, noticed one of Mr. Albert Mitchell's barns to be on fire. He at once gave the alarm to Mr. Mitchell who had retired and was asleep at the time, but before any effort could be made to extinguish the fire the whole building was enveloped in flames, spreading to other buildings which were totally consumed with their contents. The buildings burned were two barns each 30x40 feet, and a carriage house, all in first class condition, worth at least \$1,000 and insured for \$500. The dwelling was saved with difficulty. Mr. Mitchell loses his farming utensils, riding carriage, harness and four tons of hay, besides sustaining considerable loss by damage to furniture and otherwise in saving his dwelling. The origin of the fire is unknown to Mr. Mitchell, but it must have been set either by accident or design. We sympathize with Mr. Mitchell in his heavy loss.

DOCK BLOOD PURIFIER.—I have been sick with Liver and Kidney Complaint and night sweat for over two years, most of the time confined to my bed. A doctor attended me who failed to cure me; and after trying many patent medicines that were recommended for the above complaints, which failed also, I was advised to try Doctor Norton's Dock Blood Purifier. Three bottles has entirely cured me, and I now enjoy the best health I have for twenty years.

Mrs. R. D. MacCoy, Hants County May 25d, 1888. Rev. R. Alder Temple, for several years holding the position of Nova Scotia in the Grand Division of Nova Scotia, has been elected to the honorable and responsible position of Most Worthy Patriarch of the National Division of North America. Mr. Temple's long membership in the order and high executive ability well entitle him to the position.

METHODIST.—Preaching at the Methodist church, Berwick, next Sabbath at 11 a. m.; Grafton at 3 p. m.; Woodville at 7 p. m. T. D. HART, Pastor.

—Mr. Parker has a fine show of furniture in his new warehouse. He represents this paper in Berwick and takes subscriptions for it and orders for advertisements and job printing.

—Our thanks are due to Henry Clute, Esq., of Weston for a generous gift of the very choicest strawberries of the season. Will not some one remember the Editors of the Acadian in Wolfville? We do not want them to be jealous.

—Rev. T. D. Hart and family left for their new home in Lockport last Monday. Even outside of the pastoral work, Mr. Hart and his interesting family have been valuable and highly esteemed citizens. We wish them much happiness, great grace and no mean share of this world's blessing in gold and silver and generous hearty friends during their stay in the live little island on the South Shore.

—The S. S. Concert "An Evening with Frances Ridley Havergal" which came off last Sabbath evening in Berwick, was as we anticipated, a complete success. The audience were furnished with programmes, and without any visible manager each came off in due order and the whole programme was rendered as smoothly as clock work. The whole entertainment consisted of selections from Miss Havergal's works except a very graphic sketch of her life by Miss Grace D. McLeod.

Kentville Letter.

Now is the time to visit Kentville. Nature has nearly exhausted her resources in endeavoring to make the town a second Garden of Eden, and as she has been ably assisted by the citizens of the place her efforts have not been in vain. The dense foliage of the trees that skirt the streets, the music of the feathered songsters, the sighing of the breeze, and the occasional murmur of the water as it rushes through the hose and falls in showering spray over the streets, combine to furnish to a lover of nature and art all that can be desired. To those who through force of circumstances are compelled to live in a crowded city, a month's visit to our town would be the best and most pleasant tonic that could be prescribed.

It is rumored that there are a number of American gentlemen in the Province looking for a desirable site for a summer hotel. They recognize in the Cornwallis and Annapolis valleys one of the most popular resorts on the Continent, and if they can make such a venture a financial success, why can't we? Why not form a local syndicate, build the hotel, secure the patronage of the travelling public and reap the harvest? This is a question for those that have money in the banks drawing 3 per cent. and who would desire to get at least 10 per cent. on capital invested.

A large number gathered in the Presbyterian church on Friday evening to listen to a lecture by Father Chiniquy, but as the reverend gentleman failed to put in an appearance the congregation were content with a silent service.

Mrs. Baxter is to lecture here in a short time under the auspices of the W. C. T. U. It is to be hoped that she will meet with a better reception than St. John. Due notice will be given when Wolfville will be expected to send a strong delegation.

Waterbury. Large quantities of strawberries are being shipped from this station to Halifax for which good returns are being made. A good crop of Currants and Gooseberries are soon to follow.

Cambridge. Albert Webster Esq. has a new mill nearly completed on the site of the old one destroyed by fire last spring. Dr. David Webster of New York has been making a visit to his friends here lately, after an absence of twenty years. Dr. W. is an eminent oculist and has made quite a snug fortune in the practice of his profession.

Died. DeWolf.—At Wolfville, on the 14th inst. Mrs. Israel DeWolf, aged 94 years.

B. G. BISHOP ON BUYING.

To buy or not to buy: That is the question. Whether 'tis nobler in the mind to suffer the slings and arrows of outrageous dealers, or take arms against this sea of troubles and by opposing get bargains. To buy: To make purchase, and by that purchase we end the heart-ache and the thousand natural shocks that flesh is heir to. 'Tis a consummation devoutly to be wished for. To buy: To purchase: Perchance to be galled. Ayl! there's the rub; For in that purchase I can give value in stock.
